Councillors

Following the discussion at Cabinet Briefing regarding CCTV and the siting of the cameras for Phase 3, I was advised by the MDs to produce a record of decision for your approval.

Please find attached the document. I would be grateful if you could confirm by email that you are happy with this document. Member services have advised me that they will accept emails from you and obviously it is a bit easier than getting actual signatures.

Receipt of your confirmation emails will allow me to produce the order for ATEC and I met them today and they are looking forward to commencing the works.

If I can assist further please let me know

regards
