

Appendix A:

Open Space / Recreational Provision within New Residential Developments SPD

Supporting Comments to the Consultation Draft

ID	Full Name	Nature Of Response	Number	Summary	Outcome	Officers' Recommendation
Openspd10	Anne-Sophie Bonton	Support	Chapter 11	The SPD is supported in terms of its recognition over the need for management. (S)	N/A	Support Noted
Openspd12	Mr Philip Carter	Support	Chapter 13	We are pleased to see that Chapter 13 of the document links the potential use of areas of public open space to the provision of sustainable drainage systems. (F)	N/A	Support Noted.
Openspd13	Mr Philip Carter	Support	SPD	The Environment Agency supports the draft SPD as submitted. (F)	N/A	Support Noted.
Openspd17	Mr L Boyton	Support with conditions	Para 3.1	Supports the acknowledgement of Circular 05/05 in the SPD, where appropriate, the existing local residents should be consulted. (S)	N/A	Support Noted.
Openspd28	Mr L Boyton	Support with conditions	Para 11.3	It would seem reasonable for the developer to maintain a P.O.S. to a satisfactory standard for at least a 24-month establishment period. (S)	N/A	Support Noted
Openspd29	Mr L Boyton	Support with conditions	Para 13.2	The sooner local residents are included in the discussions, the better. (S)	There is a statutory planning process for the general public to comment on any planning application. Further consultation on the nature and location of facilities will be provided by the District Council Leisure section and is not considered relevant to this SPD.	Support Noted.
Openspd49	Mr Alan Hubbard	Support	Chapter 13	The Trust welcomes the recognition in this part of the document of the nature conservation and drainage system potential of open spaces. (S)	N/A	Support Noted
