### 9. REMOVAL OF HACKNEY CARRIAGE LICENCE CONDITION

Consideration was given to the report of the Assistant Director Community Services as circulated and contained on pages 7 -12 of the Book of Reports which sought removal of a condition relating to a vehicle replacement from relevant Hackney Carriage Licences.

He reported that the implementation of relevant legislation over several years had led to the current disparity between the conditions stated on Hackney Carriage licences in respect of when and how such vehicles could be replaced. This situation had caused concern within the Hackney Carriage Trade as it had effectively created three groups of licences, each with differing requirements for vehicle replacement.

Representatives of the Hackney Carriage Trade were present at the meeting representing one of the three groups of Hackney Carriage Licences.

RESOLVED That this item be deferred in order to allow officers to undertake a robust consultation with all Hackney Carriage Drivers and that the findings of the consultation be reported to a future meeting of the Licensing and Appeals Committee.
