Please identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking.

It is not proposed generally to increase the conditions that apply to the Premises Licence save as indicated below on the basis that any additional conditions would be disproportionate given the nature of the premises and the business.

Please tick as appropriate

- I have enclosed the premises licence
- I have enclosed the relevant part of the premises licence

If you have not ticked one of these boxes, please fill in reasons for not including the licence or part of it below

Reasons why I have not enclosed the premises licence or relevant part of premises licence.

M

Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General - all four licensing objectives (b, c, d and e) (please read guidance note 10)

The nature of the changes would be to extend the hours to allow flexibility to allow increase service to customers. The flexibility given would be balanced by introducing conditions to address any concerns about public nuisance. The premises themselves would still operate as a community pub with a strong food offering and would not be a concern for crime and disorder.

b) The prevention of crime and disorder

c) Public safety

d) The prevention of public nuisance

The applicant accepts a condition that in the event that any live music is being played in the premises all windows and doors will be kept closed save for the purposes of access and egress.
Notices will be placed on the premises asking customers to respect neighbours and to keep any noise to an absolute minimum.

e) The protection of children from harm

The premises would operate a Challenge 21 policy as part of its age verification process. The policy would form part of the staff training and that training would be recorded in writing. A record will be kept of any refusals and a record will be available for inspection.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
3. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).

6. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agents must sign the application form.
