Dear Sirs, Proposed Licensed Premises; Long Lane, Aughton

I wish to object to the proposal for a new Premises Licence at the former Mount Carmel school playing field site on Long Lane, Aughton, submitted on behalf of CO-Operative Group Food Ltd.

There already exist two Licensed Premises retail outlets in Long Lane at the Dog and Gun Public House, and at Aughton News on the junction of Long Lane and Parrs Lane. The area is a residential one and in my opinion there is no need for a third retail outlet for the sale of alcohol.

The proposed development on the playing field site is for a medical centre with ancillary Pharmacy and parking facility, and not for premises selling alcohol.

Should such a proposal be granted a license, it would inevitably lead to anti-social behaviour at night by young people drinking in the car park and probably taking alcohol on to the Trains at the adjoining railway station.

Yours faithfully

J.S.Milton
