**Subject:** EMRO

I am writing to voice my objection to the proposed EMRO for Ormskirk town centre. I am a student who lives locally and have a part time job at Styles Bar. The EMRO would severely affect my work hours and could result in me losing my job. If you are to enforce this I believe it would have a huge effect on the local economy such as taxis restaurants and takeaways because no one is going to want to come to Ormskirk for a night out. Being a student myself I know me and my friends will not wish to come to Ormskirk if it is going to close at 12. I can see no rational reason for the early closure as having worked in Styles a couple of nights a week for the last year I have not witnessed any major incidents or criminal damage.
