From: Kate [charltonkate@ymail.com]**Sent:** 05 June 2013 20:35**To:** Jordan, Samantha**Subject:** My objection to the proposed EMRO

I am writing to voice my objection to the proposed EMRO for Ormskirk town centre. I live locally and have a part time job at Styles Bar. If this proposal goes through this would seriously affect my working hours and it could even result in me losing my job. I have worked at Styles for approximately 18 months and I can honestly say that I have never witnessed any major incidents of violence or damage. I believe that it would be unnecessary and it would affect other businesses around Ormskirk such as takeaway places and restaurants. I am more than certain that it will distract people coming to Ormskirk and overall could have devastating effects on the local economy. Many of my friends and people I know feel the same as me, and would not bother coming out into Ormskirk on a night out if it was to close at 12. I sincerely believe that the proposal will have a huge negative impact on businesses and people who work and live in Ormskirk.
