Subject: WORKING TOWARDS QPC STATUS

Dear All,

Hope you're enjoying the nice weather. This is a note to give you some feedback as requested at a recent Standards Committee. At the Parish Clerk's meeting the only Clerk who indicated working towards QPC was Trevor Rimmer at Scarisbrick. This would bring the total to 5 if successful - Bickerstaffe, Newburgh, North Meols and Parbold are the current parishes with QPC status.

Gary Martin advises that the meeting was of the opinion that a possible (side) effect of QPC might be make members think again before acting in a way that could be seen as in breach of the Code of Conduct - just in case it had an impact on QPC status.

They felt that the annual training session might have move impact on behaviour.

Many Thanks

Gill
