SUBJECT: HOME CARE LINK REVIEW

Wards affected: Borough wide - All Wards

1.0 PURPOSE OF ARTICLE

- 1.1 To provide Members with an update on the transfer of Home Care Link to another service provider.

2.0 CURRENT POSITION

- 2.1 At a Cabinet meeting on 8th June, a report on the review of the Home Care Link Service was presented. The recommendations were presented and the decision was to approve subject to consideration from Overview & Scrutiny Committee on 24th June 2021. The Committee gave comments on the report and sought further regular updates on progress but endorsed the approach.
- 2.2 TechAdvisory completed a piece of work to identify suitable options for the transfer which met the Members brief of ensuring a seamless transfer and protecting, where possible, staff jobs. It was identified that Progress Housing was the preferred provider as they could absorb the level of connections and therefore no risk to the service, they have an excellent reputation in the Sector and would take on all the staff within the service.
- 2.3 A project team was established involving various teams across the Council. Internal meetings were scheduled weekly alongside external weekly meetings with Progress. All staff were consulted and 3 staff remained at the point of transfer.

- 2.5 Following a thorough project plan, the Home Care Link service was transferred to Progress Housing on 5.2.22. All customers have received a letter outlining the change and that the service will continue as expected. A sum of £25k was received for the sale of the service and all remaining staff transferred to the new provider.

Residents in sheltered category 1 & 2 schemes will see a slight fall in their service charge costs as a result. Progress Housing is a leader provider and continue to improve services to customers. Progress will carry out all alarm call monitoring and our out of hours emergency service first point of contact under separate contracts.

3.0 SUSTAINABILITY IMPLICATIONS

- 3.1 There are no significant sustainability impacts associated with this article and, in particular, no significant impact on crime and disorder.

4.0 FINANCIAL AND RESOURCE IMPLICATIONS

- 4.1 Progress paid a final sum of £25k for the service and associated contracts. Ongoing contracts for emergency out of hours and alarm monitoring will deliver savings to both West Lancs and to customers within the sheltered category 1 & 2 schemes.
