In addition Section 4 of the Licensing Act 2003 provides that a Licensing Authority must have regard to its Statement of Licensing Policy and to the guidance issued by the Secretary of State under Section 182 of the Act.
- 8.2 As Members will be aware, the four licensing objectives are as follows:

- The Prevention of Crime and Disorder
- Public Safety
- Prevention of Public Nuisance
- The Protection of Children from Harm

8.3 The Act provides that before determining the application, the Licensing Authority must hold a hearing to consider it and relevant representations.

Article 8

that everyone has the right to respect for his home and family life;

Article 1 of the First Protocol

that every person is entitled to the peaceful enjoyment of his/her possessions including for example, possession of a licence.

10.0 SUSTAINABILITY IMPLICATIONS

10.1 The Sub-Committee decision has the potential to impact upon the local community affected by the operation of the business. However, the Council's Licensing Policy (required under the Licensing Act 2003), which underpins the Committee's decision, impacts upon many areas within the Community.

11.0 FINANCIAL AND RESOURCE IMPLICATIONS

11.1 No additional financial or other resources are required.

12.0 RISK ASSESSMENT

12.1 The Council has a legal duty to administer the Licensing Act 2003 and is under a legal duty to determine the matter contained in this report. A failure to determine this matter would result in potential legal challenge.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

ANNEX 1 - MANDATORY CONDITIONS

The licence is granted subject to the Mandatory conditions for sale of alcohol as set out in the Licensing Act 2003 as amended by the Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010 and Order 2014.

1. No supply of alcohol may be made under the Premises Licence –
 - (a) At a time when there is no Designated Premises Supervisor in respect of the Premises Licence; or

2. Every supply of alcohol under the Premises Licence must be made, or authorised by a person who holds a Personal Licence.
3.
 - (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.
 - (2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises.
 - a) games or other activities which require or encourage, or are designed to require or encourage, individuals to –
 - (i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or
 - (ii) drink as much alcohol as possible (whether within a time limit or otherwise);
 - b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;
 - c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;
 - d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner.
 - e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).
4. The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.
5.

 - (2) The designated premises supervisor in relation to the premises licences must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.
 - (3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either:-

Minimum Drinks Pricing

3. Where the permitted price given by Paragraph (b) of paragraph 2 would (apart from the paragraph) not be a whole number of pennies, the price given by that sub-paragraph shall be taken to be the price actually given by that sub-paragraph rounded up to the nearest penny.

4. (1) Sub-paragraph (2) applies where the permitted price given by Paragraph (b) of paragraph 2 on a day (“the first day”) would be different from the permitted price on the next day (“the second day”) as a result of a change to the rate of duty or value added tax.

(2) The permitted price which would apply on the first day applies to sales or supplies of alcohol which take place before the expiry of the period of 14 days beginning on the second day.

If the Premises Licence allows Exhibition of Films

1. Where a premises licence authorises the exhibition of films, the licence must include a condition requiring the admission of children to the exhibition of any film to be restricted in accordance with this section.

2. Where the film classification body is specified in the licence, unless subsection (3)(b) applies, admission of children must be restricted in accordance with any recommendation by that body.

3. Where

(a) The film classification body is not specified in the licence, or

- (a) The relevant licensing authority has notified the holder of the licence that this subsection applies to the film in question, admission of children must be restricted in accordance with any recommendation made by that licensing authority.

4. In this section “children” means any person aged under 18; and
“film classification body” means the person or persons designated as the authority under Section 4 of the Video Recordings Act 1984(c39) (authority to determine suitability of video works for classification).

If the Premises Licence has conditions in respect of Door Supervision except theatres, cinemas, bingo halls and casinos

1. Where a premises licence includes a condition that at specified times one or more individuals must be at the premises to carry out a security activity, each such individual must:
 - (a) be authorised to carry out that activity by a licence granted under the Private Security Industry Act 2001; or
 - (b) be entitled to carry out that activity by virtue of section 4 of the Act.
2. But nothing in subsection (1) requires such a condition to be imposed:
 - (a) in respect of premises within paragraph 8(3)(a) of Schedule 2 to the Private Security Industry Act 2001 (c12) (premises with premises licences authorising plays or films); or
 - (b) in respect of premises in relation to:
 - (i) any occasion mentioned in paragraph 8(3)(b) or (c) of that Schedule (premises being used exclusively by club with club premises certificate, under a temporary event notice authorising plays or films or under a gaming licence), or
 - (ii) any occasion within paragraph 8(3)(d) of that Schedule (occasions prescribed by regulations under that Act).
3. For the purposes of this section:
 - (a) “security activity” means an activity to which paragraph 2(1)(a) of that Schedule applies, and, which is licensable conduct for the purposes of that Act, (see Section 3(2) of that Act) and
 - (b) paragraph 8(5) of that Schedule (interpretation of references to an occasion) applies as it applies in relation to paragraph 8 of that Schedule.

The Mandatory Conditions on this licence are those that were in force at the time the Licence was printed, but that they are subject to amendment by Central Government. Current Mandatory Conditions can be viewed at www.gov.uk.

The premises licence holder should be warned that it is a requirement that they must comply with the Mandatory Condition in force not merely the ones contained on the licence.

Hi Michaela,

Prior to making any decisions ref the application I've reviewed all crime / ASB for the Wharf area.

There was mention of a fight earlier this year at the Medical Centre on Smithy Walk and a couple Public Order & ASB reports for the car park at the rear of the Wharf – these log only presume that those involved have come from the Wharf as they've walked off towards there afterwards.

I am unable to find any specific crime & disorder directly attributed to Kaizen or the Wharf itself. I've spoken with NPT and they are not aware of any reports either.

Subject: Kaizan, Unit 14 Burscough Wharf - Environmental Health Comments

Message classification: **OFFICIAL**

Hi Michaela,

Please find attached EH representation for the above application.

In summary, the applicant seeks a new licence with the provision of live and recorded music as follows,

**Provision of Live Music - from 23.00 – 02.00 Monday to Sunday,
Provision of Recorded Music – from 23.00 – 02.00 Monday to Sunday.**

From an Environmental Health perspective, the hours between 23.00 and 07.00 on any day are considered noise sensitive. Noise generated beyond 23.00 which is distinctive from background noise can have a detrimental effect on residents of nearby properties. Noise from music and people congregating/leaving licenced premises would be considered distinctive in nature. The nearest noise sensitive premises lie within 35m of Unit 14 Burscough Wharf.

Environmental Health have concerns regarding the proposal to provide music into the early hours of the morning. The area adjacent to the Burscough Wharf site is predominantly residential in nature and the protection of those occupants from public nuisance has been considered when assessing this application. Subsequently, it would be remiss of Environmental Health to not make a representation given the application seeks to operate in a primarily residential setting. As stated, this application seeks the provision of live and recorded music to 02.00.

The main aspects that the application fails to address are as follows

- The application presents little information as to how the management aim to control noise output from live and recorded music.
- The applicant has not fully considered the location of the premises and the proximity of residential units.
- The application does not detail the measures be employed to prevent music noise breakout, especially when music is provided late into the evenings/early hours of the morning and on a frequent basis. It is noted on the accompanying plan that some access and egress point are not served by a lobby to assist in the prevention of noise break out including the terrace area.
- There is no information provided on the ability of the building's envelope to adequately contain music noise or assessment of the weak points in the structure or mitigation of any weaknesses.
- The application fails to advise the practical noise control measures (limitation devices etc) to be employed to reduce the risk of unacceptable noise associated with the licence premises. These measures should be detailed in the operating schedule or within a noise management plan which supports the application.

Given the current lack of information and controls identified, Environmental Health do not feel it is possible to support the provision of live music beyond 23.00 or the provision of recorded music beyond 00.30, until such a time when the concerns have been adequately addressed.

The suggested cut off for live and recorded music falls in line with current hours permitted at other licensed premises occupying the Burscough Wharf site. Environmental Health have reviewed the current premises licences for the other establishments on the Wharf and most have the facility to provide live and recorded music (some at weekends only). Currently no premises has the provision to provide live music beyond 23.00 or recorded music beyond 00.30 on any day. A president appears to already be in place with respect to hours when live and recorded music can take place. This measure supports the objective to prevent public nuisance proves useful when managing the cumulative impact when several licenced premises are concentrated in a relatively small area.

Notwithstanding the comments above, Environmental Health would ask that the applicant considers agreeing to the following conditions in order to promote the objective of prevention of public nuisance.

1. All external doors and windows shall be kept closed, other than for access and egress, whenever regulated entertainment is occurring. All external entrance doors shall be fitted with an automatic, self-closing devices.
2. Noise from music and associated sources (including amplified voices) shall not be clearly distinguishable at the boundary of any neighbouring residential premises after 20.00 hours.
3. No music or speech shall be relayed via external speakers other than for events where the prior approval of the Licensing Authority has been obtained.
4. Notices shall be displayed at public exits, in a clear and prominent position, requesting that patrons respect the needs of local residents and leave the premises and the area quietly.
5. The Designated Premises Supervisor and other members of staff to request customers to leave quietly and have respect for their residential neighbours.
6. The Designated Premises Supervisor or nominated person shall regularly monitor levels of noise in any external area used for consumption and / or smoking, and advise customers of the need to respect local residents where appropriate. Any patrons continuing to cause any disturbance or disorder will be asked to leave the premises.
7. The external seating and terrace seating area to be closed between the hours of 21:00 hours and 08:00 hours on Sunday to Thursdays and between 22:00 hours and 08:00 hours on Friday and Saturdays.
8. No deliveries will take place between the hours of 20:00 and 08:00 hours.
9. The placing of refuse, such as bottles, into receptacles outside the premises shall take place between 08:00 and 21:00 hours only, so as to prevent disturbance to nearby premises.

Subject: Licensing application - unit 14 Burscough wharf

Good evening,

I have been made aware of an application for a premises licence relating to Unit 14 Burscough Wharf, Burscough L40 5RZ seeking a license for live/recorded music Monday-Sunday night until 2am. I have already been made aware of ongoing, unresolved issues regarding anti social behaviour, (drunk behaviour, drug taking, public urination and general noise/nuisance including fighting), in the council carpark behind Burscough Wharf which is affecting residents in nearby Stanley Court. I feel that licenses should not be extended until a resolution is found that is satisfactory to all those involved (including local residents and the town council).

I fear that granting a license for music and alcohol until 2am every night of the week could serve to increase the anti social behaviour that has already been a reported issue on the car park behind the Burscough Wharf, especially whilst the matter remains unresolved, and feel at this time the license should not be extended until the current issues are resolved to everyone's satisfaction.

Many thanks

Cllr Patricia Burnside

To whom it may concern

I've been made aware of a licensing request for unit 14, Burscough wharf, L40, for music and live entertainment until 2am Monday to Sunday.

As a resident of Stanley Court living next door to the wharf and having to listen to the live music that goes on in venues up to midnight, I would have to say that this going on until 2am every night would be a nightmare for all residents. The noise is not the only problem that would stem from this licence being granted. There is also the antisocial behaviour that comes with people drinking until 2am and spilling out into the car park beside the wharf where we often get fights and assaults taking place when they've been kicked out of the bars. There was also an instance on New Year's Eve 2022 where some people came out of the wharf drunk and untied a lot of houseboats down the canal at the wharf so they drifted away from their moorings and blocked the canal, no doubt doing some damage to the boats as well.

Therefore, I would like to lodge my protest against this licence being granted. The wharf has no soundproofing and no door security for the people drinking to excess in their premises. To grant an establishment a licence until 2am so close to residential buildings would be a huge mistake. A licence

that matches the other venues in the village - i.e. 11pm Monday to Thursday and midnight over the weekend would be acceptable, but no later than this.

Yours sincerely

Subject: Licensing Objection - Unit 14 Burscough Wharf

To whom it may concern,

Further to your notice in the Ormskirk Advertiser, dated 12th of January 2023.

I am writing to object to the licensing application for Unit 14, Burscough Wharf, to open as licensed premises until 2 am from Monday through to Sunday each week with the added proposal of an extension on New Year's Day from 2 am until 8 am, playing live music in a building with no soundproofing with music being amplified through a PA system or independent sound system with no statement as to how loud this would be up to, in such very close proximity to the residential area around Burscough Wharf.

The proposed premises is located too close to a residential area, where many residents work Monday to Friday and at Weekends and the lack of soundproofing in the building will cause excessive and unacceptable noise levels, which will interfere with our right to peace and quiet in our homes and will disrupt sleep for many of the residents in the area.

Over the last eighteen months, several violent attacks and a great deal of antisocial behaviour have occurred, due to late-night drinking at Burscough Wharf. These have been reported to the police over an 18-month period, West Lancashire Borough Council and the Management officers of the wharf. This anti-social behaviour continues to be an issue.

On New Year's Eve / early hours of New Year's Day this year several boats moored on the canal were untied and set a drift. So, anything that affects us as residents of this area also affects the transient boat population that uses Burscough as a stopping point.

Then there are the issues of a lack of public transport (none at all) and taxis (very few) at that time of night/early morning, which encourages people to be hanging around, beyond 2 am and in other cases, it leads to drinking and driving, due to the lack of a police presence or any security staff for Burscough Wharf. It also encourages people to hang around in the adjacent Smithy Walk car park.

Every other licensed premise in Burscough town, including the Hop Vine, the Packet House, The Bridge and the Stanley Club are all shut by 11 pm Monday to Friday and midnight at the weekends. Most of the aforementioned premises are not as close to residential areas as Burscough Wharf.

I believe that the granting of this license would be detrimental to the ongoing quality of life for the residents of Stanley Court, Lord Street and the surrounding area. I, therefore, urge West Lancashire Borough Council Licensing Officers to reject this application.

I have attached a recent report from the Police in connection to the issues with the Smithy Walk car park and would also like to bring to your attention that there is an ongoing investigation by the LGSCO, case number 22009685, with regard to the issues mentioned above.

I hope the information provided is sufficient; however, should you require anything further, please do not hesitate to ask.

Also, I would be grateful if you could acknowledge receipt of this email by return.

Yours Sincerely,

- >
- > Dear Sir/Madam,
- >
- > I have been a resident of Burscough for 37 years, I would like to make a comment regarding this license application.
- >
- > I object to this License being granted for the following reasons:
- >
- > Granting of licensing beyond normal opening hours is most likely to attract on occasions persons who may have been drinking at other venues for the evening and may lead to antisocial behaviour and drunkenness in the early hours of the morning.
- > With opening hours beyond midnight, it is highly likely that the clientele will be attracted from areas outside of Burscough, and even West Lancashire.

- > To support this I do remember when there were venues opened in Ormskirk such as the Brahms and Liszt as well as another venue on Moor Street, The Chelsea Reach, these attracted people from Southport, Maghull, Knowsley, Kirby, Saint Helens, Skelmersdale and even further afield.
- >
- > At these two venues, there were regularly violent disturbances, drunkenness, antisocial behaviour and criminal damage throughout Ormskirk Town Centre caused by those who had visited these premises. I personally witnessed these events on a regular Basis, there were many physical assaults, not just between youths and men, but also on young women to an extent that would clearly be seen

to be unacceptable today. Nobody would now consider this a "Safe environment" for people, in particular young women.

> Should this license be granted, then there is every likelihood that these problems would be brought to Burscough. It would be unrealistic given the shortages currently experience within the Police Service to expect even a minimum response given the very few numbers of Officers who will be on duty throughout West Lancashire to be able to cover such incidents.

>

> The Police Officers who would be on duty throughout West Lancashire after midnight on any day of the week are shockingly few in number (I do not believe for one second that the senior officers in the Police service, would ever want to divulge the true numbers to the public) and they should be engaged in the prevention and detection of crime as well as keeping us safe. There is no spare capacity to deal with further drunkenness and antisocial behaviour within this area.

>

> West Lancashire Borough Council and Lancashire Police are very well aware of antisocial behaviour and drunkenness in areas very close to the premises for which this application is being requested. What is concerning, is the responses or failure to take action by both WLBC and the Police as of yet.

>

> This issue was raised recently at a meeting with Burscough Town council. In attendance, were Borough Councillors who, it would appear we are answering on behalf of West Lancs Borough Council in relation to the significant number of complaints of antisocial behaviour near to the Wharf. It is alleged that there are in excess of 100 recorded complaints by Residents nearby.

>

> I was shocked to hear the response from the Councillors in so far as they stated there was an insufficient number of complainant's for the Police or West Lancashire Borough Council to take any action and that those complaints so far recorded, fall below the threshold required for the Police to take action. These statements from the Councillors should certainly require some clarification, but by association and their obvious close liaison with West Lancashire Borough Council, it would appear that they are reflecting the views of the Borough Council as well as themselves when they made these statements. I don't believe what they said was a true reflection of the facts.

>

> I am aware that there has been correspondence with the Police service on this matter, and I understand that the Police contradict the suggestions made by these Councillors, and by association, West Lancs Borough Council regarding the threshold for any action.

>

> What concerns me greatly is that it does appear to reflect the attitude of the Borough Council in giving protection or promoting businesses within Burscough in the full knowledge that it is against the best interest or to the detriment of the Residents, and in this case significantly impacts on the health and well-being of those residents who have made the aforementioned complaints.

>

> I also have concerns about music being played. I live 1 km away from Burscough town centre, and I regularly hear music coming from that distance on many weekend afternoons. I have no complaints about this, as I think it is entirely appropriate at weekends during daytime for people to be able to enjoy themselves, and the music that is being played I don't believe causes any serious objections. What it does demonstrate however is that sound travels, in particular at night when all else around is quiet and the background noise from traffic and people milling about disappears, and so any noise at night will carry a great distance. If this license was granted the music would be played at a time when the majority of the Residents of Burscough are trying to sleep because they have work to go to the following morning. I believe it is entirely inconsiderate to in anyway disrupt what is currently a peaceful environment, and adversely affect many people who are not just in immediately proximity, but much further afield.

- >
- > West Lancashire Borough Council, have regularly failed to enforce conditions in other areas for which they have responsibility. They do not have the Staff to come out at night, and neither do the Police have the staff to monitor the volume of music if someone should complain . Any complaints that are made would involve a long a lengthy process of sound monitoring before any effective remedy could be implemented.
- >
- > In terms of business that is brought to Burscough, there are already many public houses, many of these will have reduced numbers of customers primarily because of the current financial situation within the Country, the knock on effect from Covid, and the change in lifestyles of many people who drink less than they did some years ago.
- > Some public houses have been closed and the Red Lion that was on Liverpool Road South has now been demolished. There is only so much money to go around and the long established Public Houses need as much support as is possible to maintain their businesses. Every additional license that is granted takes a small percentage from the existing Licensed premises.
- >
- > Burscough has now a population of around 10,000, the majority of them will be working people and very few would have the finances to support a lifestyle which had them go out drinking till 2 o'clock in the morning. The majority of working people would want to ensure they had adequate sleep before the next days work. So if this late license is to prove financially viable, then it is highly probable that it will have to attract people from outside the area which brings with it the problems as mentioned earlier.
- >
- > I would also add that when the Wharf was being renovated it was intended to fit comfortably within its environment, I don't believe that late night drinking and entertainment was ever part of the original plan, nor that it would fit comfortably within its environment.
- >
- > Further to this, I would question whether this application is merely a test to see what will be tolerated and would be followed by an application for a license at weekends rather than the full week. I would stress that all of the above still applies and if there is a variation on this application for fewer days I still object to any licenses being granted on any day beyond 11 pm.
- >
- > I object to the granting of this Licence.
- > [REDACTED]

Please note, Unless it is a legal requirement, I would prefer that my address is redacted from this submission if it is to be published. At the most recent town council meeting when this was discussed, there were unpleasant and disruptive interruptions from persons supporting this application who were disrespectful of the Chairman and Council procedure.

Date 20th January 2023

Dear Sir / Madam,

Burscough Town Councils comments on the Application to obtain a premises licence for the following location.

Unit 14 Burscough Wharf, Liverpool Road North, Ormskirk, West Lancashire L40 5RZ.

Application. For the following, Live & Recorded music and anything of a similar description, late night refreshments and the retail sale of alcohol on/off the premises every day of the week between 11.00pm and 02.00 am. This application also included proposals for an extension on New Year's Day from 2.00am until 8.00am.

Firstly, Burscough Town Council would wish to highlight several concerns about unsocial activities around the Wharf and the Smithy Walk car park next to the Wharf which has caused concerns as to the noise and disturbances to families in the nearby homes, which have been of an unacceptable nature with reports which remain ongoing to the police and WLBC, subsequently a resident has sent a formal

complaint to the Local Government Ombudsman and an investigation has commenced.

In looking closely at the Legislation regarding alcohol licence we note the main objectives of the Licensing Act 2003 are:

- The prevention of crime and disorder
- Public safety
- The prevention of public nuisance, and
- The protection of children from harm.

These are important statements and there is a need to ensure these points are being met and where not then action needs to be undertaken to stop the problems being continued.

We also have concerns about how the initial concept of the Wharf has changed and is no longer operating in the function that Public Money was provided, from the predecessor of English Heritage. This funding was to support the creation of a local historical environment for the use of families. The wharf has over the past two years changed with increased number of licenced premises and the Town Council has needed to undertake research as it was not informed about the changes taking place, it is now not the type of tourist attraction that was in the initial projects concept and subsequently in now more a venue for drinking and music activities and this new application takes this to a none intended environment.

BTC have been working with a local police officer regarding the Police report that was produced on the 7 October 2022 following a visit on the 28 September 2022. This report was produced by Rachel Hines the South Designing Out Crime Officer at HQ Hutton Lancashire, and I understand a copy and its recommendations is now with WLBC. We as a Council hope that WLBC will engage in discussion with the Town Council and residents, to enable a way forward in implementing plans and actions in obtaining a suitable solution to all parties.

WLBC have a Public Sector Duty of Care for its residents to live in a safe, healthy and supportive environment. This will not only apply to the residents but to the users of wharf licenced premises. Right next to the wharf is the Leeds and Liverpool Canal and this could be a source for accidents in an environment where alcohol is involved, both Liverpool and Manchester cities have accidents with people falling into the canals and rivers.

At a recent BTC meeting one of four Borough Councillor's attended provided information about the trigger points before police became involved. Following the meeting with the police the point made by the Councillor was shown to be an inaccurate statement as both the police and the police commissioner confirmed that there is no threshold or trigger points.

BTC recognise that many residents enjoy going to the Wharf and don't cause any problems, we also recognise that the venues employ a number of local staff who need the work and the income from the work. Subsequently we must have a solution to current situation and improve the current situation and not to worsen it.

Burscough Town Council have previously resolved to support and resolve the anti-social behaviours raised at a Town Council meeting - (8th June 2022.)

With regards this application for Unit 14 Licence.

Burscough Town Council are **objecting to this application** for all the extensions applied for.

We have serious concerns that this application is not in Burscough best interests and has the potential to cause the Wharf further problems with increased late night social issues which will involve residents in different and unnecessary ways, one such way will be people's health and, in some instances, it will lead to stress and mental health.

The Wharf and its location is not the place for a late night Licence of this nature. We don't feel that there is a need or a demand for this premises functions. We have concerns that this could lead to further requests in this and other locations. We also have concerns about this venue turning into a club venue, as this was mentioned when the previous business closed.

BTC don't see the demand from members of the local community during the week of at weekends as they rightly put work first and with people experiencing high cost of living, money is unlikely to be available. We also don't see many people wanting meals at midnight and the attraction will be alcohol as at that time of night its most likely to be recorded music.

Part of problems for the wharf area is the annoyance of loud music for Burscough residents at night when roads have less traffic and other

noises have stopped the noise from music travels further when everything else has stopped.

Therefore, we can only see that this application if granted will need to attract people from other areas and may need to change away from being a restaurant as is its current function. There will be no public transport and taxis will be very rare leading to additional problems. BTC have been concerned about the very limited monitoring, checks and responses to the issues raised about the issues around this venue and surrounding area, much to the annoyance of residents. It is our wish to see the unacceptable instances eradicated and for our residents to have seven full nights a week, a peaceful and uneventful night sleep.

In looking at this application for Unit 14 in the Wharf. we would ask you when making a decision would you want yourself or members of your family living in an unhealthy environment and have to put up with drunken behaviour, urinating in public, foul language and persistent loud music/noise.

Therefore, taking all of these points into consideration Burscough Town Council would like to object to the Licence extension Monday through until Sunday until 2am, with a further application until 8am on New Years Eve for unit 14 situated in the wharf.

Thank you for considering this issue.

Yours faithfully

Subject: Premises License - Unit 14 Burscough Wharf

Hello,

I'm writing as I have seen a post from the Burscough Town Council on social media, they have urged the local community to reject this application.

I would like to make it clear they do not speak on my behalf as a resident of Burscough and from what I have witnessed and heard, many others who have negatively commented on their post.

It is clear they seem to be pushing an agenda via their social media page, this to me does not seem professional, balanced or democratic.

Burscough Wharf is the heart of the community and brings the residents together with a love of live music, food and letting our hair down after a hard week / day at work.

I understand you cannot speak on their behalf but I would like the opportunity to put my opinion forward on this matter.

Many Thanks,

Dear sirs,

I wish to make representation with respect to the application for a premises licence submitted by Mr Barry - <https://www.westlancs.gov.uk/media/547042/new-premises-application-unit-14-burscough-wharf.pdf>

I have no objections to the application and support it's approval.

I live within 50m of Burscough Warf, Victoria Street, and I have never experienced any antisocial behaviour as a result of the licenced premises within Burscough Warf.

I feel that the bars and restaurants in the Warf benefit Burscough and are enjoyed by Burscough residents and visitors alike. The continued evolution of these businesses adds to the attractiveness of the town.

Yours faithfully
