Councillor Aldridge, Burnside, de Freitas, Nixon and Rigby declared a non-pecuniary interest in relation to item 10 'HRA Q2 - Revenue and Capital' ' as they have a connected person who is a tenant of rented Council accommodation. Council notes with deep concern:

- E. *The poor condition of many of the council's grassed football pitches and facilities*
- F. *The failure of the council to complete the Ormskirk-Burscough linear park for walking and cycling*

Council believes that its priorities in the area of health, wellbeing and leisure are not being effectively advanced under the current political leadership impacting severely on the health, wellbeing and opportunities of the residents of West Lancashire,

The following Motion was moved and seconded:

"Council notes that:

- *The recent budget announced by the Labour Government increases the*

current bus fare pricing cap with effect from the 1st January 2025.

- *Due to the Labour Government increasing the cap by 50%, from £2 to £3, a commuter commuting on a bus five days a week will suffer a yearly fare increase of several hundred pounds.*

Council believes that:

- *The increase in the bus fare cap will result in declining passenger numbers.*
- *Will have a catastrophic impact on the essential bus services, particularly those in our rural areas, which so many residents in West Lancashire rely on.*
- *Will have a negative impact on young people travelling to access education, and those reliant on buses to reach their place of employment.*
- *Will have a negative impact on elderly people who do not drive but need to access services, healthcare and visit family.*
- *At a time when many residents in West Lancashire are struggling with soaring costs and expenses, this sudden increase in fares will punish some of the most vulnerable in our community.*
- *Increasing the fare cap will discourage sustainable travel and remove an incentive to use public transport to access our town centres, increasing the number of cars on the road.*

Council resolves:

To request that the Leader of the Council writes to the Transport Secretary to outline the Council's dismay at this decision and ask the Government to reconsider."

An Amendment, which was displayed on the screens, was moved and seconded in the following terms:
