Cabinet - 12 June 2018

This Forward Plan has been produced 28 clear days prior to the next scheduled meeting of Cabinet and contains all the key decisions which the Council expects to make. The definition of a key decision is given in the Council's Constitution at 3.13 and is set out at the end of this Forward Plan. The law and the Council's Constitution also provide for urgent key decisions to be made. Supplementary Forward Plans may be provided if required. Whilst the majority of Cabinet business at the meetings listed in this Forward Plan will be open to the press and public to attend, there will inevitably be some business to be considered that contains confidential or exempt information, for example, commercially sensitive or personal information. Items listed that may be held in private have been identified along with the reason that the report may contain exempt information under Part 1 of Schedule 12A to the Local Government Act 1972 (as amended) as it is likely that the public interest in withholding the information outweighs the public interest in disclosing it. Please contact the relevant contact officer listed if you have any questions
