SUBJECT: MONITORING OF FORMAL COMPLAINTS (2017/18)

Wards affected: Borough wide

1.0 PURPOSE OF ARTICLE

- 1.1 To present data on the number of formal complaints received by the Council from April 2017 to March 2018.
-

2.0 BACKGROUND

- 2.1 Types, numbers and trends in complaints provide a valuable insight into the quality of services and can make a valuable contribution to improving them. In this respect they should also be considered alongside other information such as performance indicators and securing value for money. The Customer Services team is responsible for managing the overall co-ordination of the corporate complaints process.
- 2.2 The Council defines a complaint as an expression of dissatisfaction about the standard of service, actions or lack of action taken by the Council, or a person or body acting on behalf of the Council, affecting an individual or group of customers. Therefore, the complaints procedure is not simply logging initial service requests e.g. for pest control, missed refuse collections, housing repairs etc. The Council's complaints procedure is attached at Appendix 1.
- 2.3 If a complainant wishes to pursue an issue further after the Council's own internal procedures have been exhausted, this can be raised with either the Local Government and Social Care Ombudsman or the Housing Ombudsman, depending on the nature of the complaint.

3.0 CURRENT POSITION

- 3.1 Complaints provide valuable customer feedback and the principal purpose of monitoring and responding to complaints is always to improve service delivery. On the very few occasions where the Council acknowledged that the service was not up to the required standard, the focus is on putting the matter right and preventing any re-occurrence. By taking complaints seriously, the Council is ensuring that all genuine grievances are recognised and action taken to address the issue.
- 3.2 This update provides Members with details of the number of formal complaints received during 2017/18. Data on the number of formal complaints received by each Directorate during this period is set out in Appendix 2 to this report. The numbers recorded are all written expressions of dissatisfaction and are not necessarily substantiated.
- 3.3 During 2017/18 the Council received 45 formal complaints, this shows a reduction of 8 from the previous year i.e. from 53 in 2016/17 to 45 in 2017/18. Following investigation, it was established that 34 of the 45 received were unfounded i.e. the Council had complied with its own policies and procedures. Further details regarding the nature of the specific complaints are provided at Appendix 2.
- 3.4 The details provided at Appendix 2 demonstrate that where there have been genuine complaints/issues, these have been dealt with accordingly and wherever possible, improvements have been made to prevent re-occurrence.
