

PERFORMANCE PLAN	
Indicator	NI 192 Percentage of Household Waste sent for reuse, recycling and composting.
Reason(s) for not meeting target	
<p>Since the introduction of the garden waste subscription service there has been a significant reduction in green tonnage collected.</p> <p>In addition, as a result of a decision made by LCC residual waste from the Borough is no longer being reprocessed at the material recycling facility at Farington, it is being sent to landfill. This results in a loss of recycling material that would have been recaptured during reprocessing.</p>	
Additional Commentary	
<p>Proposed Actions Increase participation through publicising/promoting the garden waste collection service.</p> <p>These actions will have an impact in the new subscription season – first and second quarters in 2019/20.</p>
