Dear Sir,

My colleague PC Andy Fleming and I went to your client's premises on Aughton Street and spoke to Josh about his plans and issues around the Licensing Objectives over a very pleasant cup of tea. My understanding is that his food retail business is not performing as he would have hoped and consequently he hopes to change the premises use from retail of food to a bar with an associated function room.

My main area of concern is the proposed ending hours. The premises in the immediate vicinity of your client close at 2am latest He is seeking to close at 2.30am with alcohol sales to 2am. With the resources around policing Ormskirk existing between 11pm and 2.30am at weekends your clients acceptance of closing a half hour earlier than proposed would be appreciated and would contribute towards the licensing objectives in terms of crime, disorder and nuisance.

Could you seek your client's views over the following licensing hours and conditions please with a view to premises closing being at 2am daily.

Alcohol Sales / Supply	Monday	08:00	01:30
Music	Tuesday	08:00	01:30
Late refreshments	Wednesday	08:00	01:30
	Thursday	08:00	01:30
	Friday	08:00	01:30
	Saturday	08:00	01:30
	Sunday	08:00	01:30

The premises shall operate and maintain a CCTV system which shall be in use during all times licensable activities are taking place at the premises and comply as follows;

- a) The system shall cover all entrances and exits from the premises, in addition to covering all internal areas of the premises used to display/supply licensed products
- b) The focus of the camera(s) shall be so as to enable clear identification of persons on the premises
- c) The system will be capable of time and date stamping recordings and retaining said recordings for at least 28 days
- d) The Data Controller shall make footage available to a Police Officer or authorised officer, where such a request is made.
- e) Signage will be on display advising that CCTV is in operation.

An incident book/refusal register shall be kept and maintained at the premises indicating the date, time and reason for any refusal/incident of Crime and Disorder and will be made available for inspection by any responsible authority upon request.

A documented Challenge 25 scheme will be operated at the premises. The Challenge 25 scheme will be actively promoted and advertised at the premises and any person purchasing alcohol, who appears to be under 25 years of age, shall be asked to provide acceptable identification to prove they are 18 years of age or over. Failure to supply such identification will result in no sale or supply of alcohol to that person

The Proof of Age Standards Scheme (PASS) will be actively promoted at the premises by the display of Challenge 25 posters bearing the PASS logo. A PASS accredited holographic proof of age card will be the main identification document accepted at the premises as proof of age. A PASS card must be accepted as proof of age if a purchaser possesses one. Where a purchaser does not possess a PASS accredited proof of age card, only the following alternative forms of identification will be acceptable:-

- (a) Photocard driving licence
- (b) Passport
- (c) Her Majesty's Forces warrant card

A documented training scheme shall be introduced for all staff in a position to sell, serve or deliver alcohol. The scheme shall be made available for inspection at the request of any Police Officer, Trading Standards Officer or Local Authority Enforcement Officer.

The Designated Premises Supervisor or Premises Licence Holder shall conduct six monthly training reviews with all members of staff authorised to sell, serve or deliver alcohol in order to reinforce the training and to promote best practice. The written record shall be kept of the content of such reviews and be available for inspection by any responsible authority on reasonable request.

Notices shall be displayed at public exits, in a clear and prominent position, requesting that patrons respect the needs of local residents and leave the premises and the area quietly.

Whenever regulated entertainment is taking place, regular assessments shall be made of any noise emanating from the premises. Wherever said assessments indicate that noise is likely to cause nuisance to any local residents, remedial steps shall be taken to reduce the levels of noise.

The premises shall employ at least two SIA doorstaff on nights when they intend to open beyond midnight. On other days the use of door staff will be at the discretion of the duty manager or DPS based on a risk assessment.

All best,

Richard
