Wards affected: Borough wide

1.0 PURPOSE OF ARTICLE

- 1.1 To provide an update on the progress made towards implementing key Council actions during 2015/16.
-
-

3.0 BACKGROUND

- 3.1 In October 2015, the Council formally adopted a Council Plan 2015-18 with a vision, set of values and priorities together with the key projects for 2015/16. It was agreed that progress against key actions would be provided through six-month Members Update reports and a full Annual Report to Council.
- 3.2 The progress report on the delivery plan for the second half of the year is attached at Appendix 1. The Appendix summarises the good progress that has been made. Explanations have been provided as appropriate in those areas where progress has not been as planned. Many of the actions are the subject of detailed individual reports to committees.
- 3.3 A full Annual Report is currently being prepared and will be submitted for Council in July 2016.

4.0 CURRENT POSITION

- 4.1 To ensure that the Council maintains progress against its corporate priorities, it is essential that a strategic plan is in place and is monitored. Given the established procedures of the plan process, progress against the plan is provided to Members by six-month reports through Members Updates and a full Annual Report to Council.

5.0 SUSTAINABILITY IMPLICATIONS/COMMUNITY STRATEGY

5.1 There are no significant sustainability impacts associated with this report and, in particular, no significant impact on crime and disorder. The report has various links to the Sustainable Community Strategy through the wide range of actions contained within it. The vision, values, priorities and key projects set out in Appendix A should contribute to the sustainability of services and the borough as a whole.

6.0 FINANCIAL AND RESOURCE IMPLICATIONS

6.1 There are no significant financial or resource implications arising from this report.

7.0 RISK ASSESSMENT

7.1 It is essential to the effective management of the Council that sufficient time and consideration is given to the council planning process. Having a clear plan allows attention and resources to be effectively focused on achieving the Council's priorities and strong and effective performance management arrangements are in place to support this. The actions referred to in this report are covered by the scheme of delegation to officers and any necessary changes have been made in the relevant operational risk registers.

Background Documents
