PSAA Contract Monitoring – West Lancashire Borough Council opted into the Public Sector Audit Appointments (PSAA) Appointing Person scheme which starts with the 2018/19 audit. PSAA appointed Grant Thornton as auditors. PSAA is responsible under the Local Audit (Appointing Person) Regulations 2015 for monitoring compliance with the contract and is committed to ensuring good quality audit services are provided by its suppliers. Details of PSAA's audit quality monitoring arrangements are available from its website, www.psaa.co.uk.

Our contract with PSAA contains a method statement which sets out the firm's commitment to deliver quality audit services, our audit approach and what clients can expect from us. We have set out commitment to deliver a high quality audit service in the document at Appendix A. We hope this is helpful. It will also be a benchmark for you to provide feedback on our performance to PSAA via its survey in Autumn 2019.

Progress at May 2019

Financial Statements Audit

We have started planning for the 2018/19 financial statements audit and have issued a detailed audit plan, setting out our proposed approach to the audit of the Council's 2018/19 financial statements.

We commenced our interim audit in January 2019. Our interim fieldwork includes:

- Updated review of the Council's control environment
- Updated understanding of financial systems
- Review of Internal Audit reports on core financial systems
- Early work on emerging accounting issues
- Early substantive testing

There are no issues that we need to bring to the Committee's attention from the work we have completed to date.

The statutory deadline for the issue of the 2018/19 opinion is 31 July 2019. We are discussing our plan and timetable with officers.

The final accounts audit is due to begin on the 1 June with findings reported to you in our Audit Findings Report. We will present our report at the July Audit and Governance Committee meeting and issue our audit opinion by the 31 July deadline.

Value for Money

The scope of our work is set out in the guidance issued by the National Audit Office. The Code requires auditors to satisfy themselves that; "the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources".

The guidance confirmed the overall criterion as: "in all significant respects, the audited body had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people".

The three sub criteria for assessment to be able to give a conclusion overall are:

- Informed decision making
- Sustainable resource deployment
- Working with partners and other third parties

Details of our initial risk assessment to determine our approach were included in our Audit Plan. We identified one significant Value for Money Risk – Financial Sustainability – and are currently carrying out our audit work on this.

We will report our work in the Audit Findings Report and give our Value For Money Conclusion by the deadline in July 2019.

Other areas

Certification of claims and returns

We certify the Council's annual Housing Benefit Subsidy claim in accordance with procedures agreed with the Department for Work and Pensions. The certification work for the 2018/19 has not yet started. We will agree our overall project plan for completing this work with officers.

Meetings

We met with Finance Officers in April and continue to be in discussions with finance staff regarding emerging developments and to ensure the audit process is smooth and effective. We also met with your Chief Executive in April to discuss the Council's strategic priorities and plans.
