146	Not started	Improvements to railway station facilities	Improvements to railway station facilities	Aughton Town Green Station	Network Rail	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Yes	Total cost: £35,000 CIL funding requested: unspecified Other funding required: nil	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	£53040	Total cost: £35,000 CIL funding requested: unspecified Other funding required: nil	<input checked="" type="checkbox"/>	Insufficient development
<p>This was one of eleven stations put forward by Network Rail for improvements. The total cost of all 11 station improvements has been estimated at £790,000 although the bid does not state how much CIL is sought in each case. CIL must be spent on delivering new or improved infrastructure required as a result of, or exacerbated by, new development and in many of the proposed areas there just hasn't been enough development to justify a need for improvement - that is, the improvements are needed as a result of existing development. Aughton has seen relatively little development, and therefore it is not recommended that CIL monies be used for this project at this time. Furthermore, as Network Rail are responsible for the upkeep of stations, it would be expected that these improvements would fall under the mandatory responsibilities of the company, and/or it would be appropriate to see some match funding put forward by Network Rail towards the total costs.</p>
