Subject APPLICATION FOR A NEW PREMISES LICENCE.  
THE CURRY LEAF, 188 MOSS LANE, BURSCOUGH, L40 4AY  
Date 10<sup>th</sup> August 2018

Thank you for consulting me with regard to this premises licence application.

I discussed with the applicant and their solicitor that I felt that some of the risks to the prevention of the public nuisance objective were not fully covered and so both the applicant and their solicitor has agreed to accept the following conditions:

- 1) All external doors and windows shall be kept closed when regulated entertainment is being provided except in the event of an emergency.
- 2) Notices shall be displayed at public exits, in a clear and prominent position, requesting that patrons respect the needs of local residents and leave the premises and the area quietly.
- 3) Door supervisors and other members of staff to request customers to leave quietly and have respect for their residential neighbours.
- 4) Noise from music and associated sources (including DJs and amplified voices) shall not be audible at the boundary of any neighbouring residential premises after 18:00 hours any day.
- 5) The volume of all amplified sound used in connection with all entertainment provided shall at all times be under the control of the licensee or management and the controlling mechanism so installed shall be maintained and operated from a part of the premises inaccessible to the public.
- 6) No deliveries will take place between the hours of 20:00 and 08:00 hours.
- 7) The placing of refuse, such as bottles, into receptacles outside the premises shall take place between 08:00 and 21:00 only, so as to prevent disturbance to nearby premises.

- 8) The Designated Premises Supervisor shall ensure that staff arriving early morning or departing late at night when the business has ceased trading conduct themselves in such a manner to avoid disturbance to nearby residents.

On the basis that these conditions have been pre-agreed to be attached to this licence should it be approved then I have no objection to this premises licence application.
