Hi Aaron, these are the proposed conditions from the police side that we discussed. Please read them carefully and if you are happy with them confirm by email reply. They will then be incorporated in to the licence

I cannot realistically modify the cctv condition to deal with those occasional entrances that are not covered by cameras. I will have to leave this with you on how you square with that condition if you agree to it. You might wish to consider some extra cameras or a revision of what doors are used. Bear in mind the potential for breaching this condition .

Any problems give me a call. I will send you that material as soon as I get chance, might be next week now.

Regards, Andy Fleming
