

**COUNCIL**  
**22 JULY 2020**

**14a Fair Funding for Lancashire Constabulary - Motion included on the agenda by Councillor Coughlan on behalf of the Labour Group**

**Amendment to be moved by Councillor Currie**

This Council calls for fair funding for Lancashire Constabulary which has been more adversely affected by Government funding policies than many other Police forces. The Council recognises the anomalies in the funding formulae which disproportionately and adversely affect Lancashire Constabulary and resolves to instruct the Chief Operating Officer to write to the Home Secretary and the Minister for Policing and the Fire Service requesting that adequate resources are provided for Policing in Lancashire.
