**SUBJECT: APPROVAL OF DRAFT STATEMENT OF LICENSING POLICY AND
AUTHORISATIONS REQUIRED BY THE GAMBLING ACT 2005**

Wards affected: Borough wide

1.0 PURPOSE OF REPORT

- 1.1 That the necessary action be taken to approve the draft Statement of Licensing Policy required under Gambling Act 2005 prior to public consultation.

2.0 RECOMMENDATIONS

- 2.1 That the draft Statement of Licensing Policy attached at Appendix 2 be approved.
- 2.2 That the Head of Housing and Regulatory Services be given delegated authority to publish the draft Statement of Licensing Policy and conduct a period of public consultation prior to returning the final policy for approval before 3 January 2022.

3.0 BACKGROUND

- 3.1 Members will be aware that the Council acts as Licensing Authority (the Authority) when discharging its functions under the Gambling Act 2005 (the Act). As part of these responsibilities, Section 349 of the Act requires the Authority to produce a Statement of Licensing Policy (the Policy) every 3 years. The current Policy came into force on 31 January 2019, and so a revised Policy must be approved and published before 3 January 2022.

4.0 POLICY CHANGES

- 4.1 The draft Policy attached at Appendix 2 to this report has been compiled using available legislation and guidance, most of which remains unchanged since the previous revision of the Policy. Accordingly, there are only limited proposed

changes to draft Policy, all of which are provided as 'tracked changes' in order to make such changes easier to identify.

- 4.2 As with the previous version, the Local Area Profile forms an Appendix to the Policy, rather than forming part of the body of the document, so it can be updated without the need to revise the entire Policy. Increased emphasis remains on safeguarding issues with requirements for operators to provide details of relevant issues as a means to help the Council to identify potential local safeguarding problems and address these accordingly.
- 4.3 The Policy retains the requirement for Local Risk Assessments (LRAs), which build on the existing Licensing Conditions and Codes of Practice issued by the Gambling Commission, and formalise the need for operators to consider local risks to the Licensing Objectives posed by the provision of gambling facilities and to operate control measures to mitigate those risks. Accordingly, the Policy sets out the expected content for LRAs and the requirement that operators must hold a copy of the LRA at individual licensed premises.

5.0 ISSUES

- 5.1 In order for the Council to function as Licensing Authority, the appended draft Policy must be approved for publication and consultation for a minimum of 12 weeks. Accordingly, if approved, the draft Policy will be subject to suitable public consultation [dates to be confirmed] in order that the document can reflect any changes since the last version.
- 5.2 Additionally, Section 349(3) of the Act lists the minimum consultees whom all Licensing Authorities must contact. These are:
 - Chief Officer of Police for the Licensing Authority's area
 - One or more persons who appear to the authority to represent the interests of persons carrying on gambling businesses in the Authority's area
 - One or more persons who appear to the Authority to represent the interests of persons who are likely to be affected by the exercise of the Authority's functions under the Act.
- 5.3 This list has been made deliberately wide to enable the Authority to undertake a comprehensive consultation exercise with anyone who may be affected by, or otherwise have an interest in, the draft Policy.
- 5.4 In a similar manner to the consultations carried out for the Council's previous Policies, it is intended that key consultees be contacted directly in writing, requesting their comments on the draft statement.
- 5.5 In addition, the following activities will be undertaken to ensure increased awareness of the draft statement:
 - Updates in the local press to draw attention to the draft Policy and the need for contributions
 - The draft Policy will be posted on the Council's website

- The continued use of a dedicated licensing email address to receive comments on the draft Policy or other licensing queries
- Presentation of the draft Policy to the Council's MALT (Multi Agency Licensing Team)

5.6 Once the consultation period is complete, the draft Policy will be amended to take account of any views received. The final version of the Policy will be submitted to the Licensing and Gambling Committee and Council for approval before publication. The final Policy must be published no later than 3 January 2022 in advance of it coming into force on 31 January 2022.

6.0 SUSTAINABILITY IMPLICATIONS

6.1 The legislation and policy has the potential to impact upon many areas within the Community, particularly upon the leisure time of the public of West Lancashire. They also serve as a means to address crime or the fear of crime through the focus on any potential offences associated with regulated activities under the Act.

7.0 FINANCIAL AND RESOURCE IMPLICATIONS

7.1 There are no significant financial or resource implications arising from this report.

8.0 RISK ASSESSMENT

8.1 The Council has a legal duty to carry out the functions of the Act; therefore, any failure to do so is a breach under the Act. Accordingly, there is significant involvement from, and impact upon, statutory bodies, the gambling trade, the public and other interested parties associated with this legislation and its administration.

9.0 HEALTH AND WELLBEING IMPLICATIONS

9.1 Gambling is a legitimate leisure activity that many people enjoy. However, the controls contained in the legislation and policy are needed to balance this against the wider negative impacts that problem gambling can create. This includes direct links to poverty, ill health, adverse family relationships, and the psychological and social impact on the vulnerable and/or children.

Background Documents

The following background documents (as defined in Section 100D (5) of the Local Government Act 1972) have been relied on to a material extent in preparing this Report.

None.

Equality Impact Assessment

There is a significant direct impact on members of the public, employees, elected members and / or stakeholders. Therefore an Equality Impact Assessment is required A

formal equality impact assessment is attached as an Appendix to this report, the results of which have been taken into account in the Recommendations contained within this report.
