Corporate & Customer Services	Significant failure to comply with General Data Protection Regulation (GDPR and Data Protection Act 2018).	The GDPR and Data Protection Act 2018 brought considerable changes to the current data protection framework and the Council must deliver its services in accordance with it. There are substantial enhancements to the current requirements as well as some new elements. Compliance had significant resource implications in terms of budget, IT, Governance and communications. There are a range of sanctions for breaches including fines and damages. Failure to report a breach would result in a fine as well as a fine for the breach itself.	An action plan is in place and being managed requiring Services to review their existing policies and procedures and technical methods in line with the new requirements and work is continuing. An action plan is in place and is being monitored by Senior Management, Cabinet and Overview & Scrutiny.	As of June 2021 2021 90% plus of the original development areas on the back of the last GDPR audit have been completed / inflight with the remaining on track to be delivered by the summer of 2021 and in the run up to our NHS Data Security and Protection Toolkit submission.		6 Cautious

Finance, Procurement & Commercial Property	Potential Treasury Management Investment Losses.	Volatility in financial markets can create risks on investments, which means there is the potential that significant sums of money could be lost.	There is a treasury management policy and strategy in place. Well trained staff make investments with the guidance of brokers and treasury advisors. Investments can only be made in top rated UK based institutions or other local Authorities.	A Prudential Indicators and Treasury Management Report was presented to Council in February 2021. A Treasury Management & Prudential Indicator Performance Report went to July Council.		8 Concerned
Finance, Procurement & Commercial Property	Failure to deliver a successful Our Future Our Place Project.	This project is designed to improve economic efficiency and effectiveness across all Council Services as well as addressing the financial challenges facing the General Revenue Account.	The Our Futures Organisation and Our Futures Place Program boards meet and feed into the Our Future Our Place Transformation Board. A detailed risk register is in place to ensure the effective mitigation of the main risks associated with the project.	Regular meetings of the two boards and the Our Future Our Place Transformation Board ensures progress is made.		6 Cautious
Growth & Development Services	Delayed preparation of new Local Plan	The preparation of a Local Plan is a complicated and lengthy process and so several factors can potentially cause delay. Should the preparation of a new Local Plan be delayed, the existing adopted Local Plan becomes more out-of-date over time, potentially weakening the ability of the Council to defend decisions based upon it. New opportunities for development may be restricted and may come forward on an ad hoc, unplanned basis. There is potential for	<ul style="list-style-type: none"> • Set a realistic timetable taking into account resources, constraints, and linked timetables (e.g. Committee cycles). • Ensure good programme / project management. • Advise necessary bodies (e.g. Planning Inspectorate) of intentions at the earliest possible time. • Engage with Members (e.g. via Cabinet Working Group) to seek cross-party consensus • Share information early with Members to reduce the likelihood of late amendments. • Obtain adequate budgetary provision for required consultancy support. • Maximise flexibility across the Service so that planning officers from other teams can help with workload if possible. 	Head of Growth and Development left WLBC in June 2021; Strategic Planning, Regeneration, and Implementation Manager left in August 2021.		4 Cautious
