	<p>businesses within the Borough by delivering improvements to infrastructure. Infrastructure projects, identified as suitable for expenditure in 2022/23, have been shortlisted from the Infrastructure Delivery Schedule (IDS). The IDS has been compiled through consultation with infrastructure providers. (Is there any particular group affected more than others)?</p>	<p>This report seeks approval to consult on the proposed funding priorities for spending CIL monies in 2022/23 but does not seek to make any final recommendations at this stage. Such recommendations will be made following receipt and consideration of consultation responses.</p> <p>The schemes proposed for funding serve to provide or make improvements to public open space, sports facilities and allotments in the Borough which arise as a result of new development. Such projects will be prepared in acknowledgement of equality and diversity to ensure that all groups may access the schemes.</p> <p>Consultation on the proposed schemes for delivery will be available to all, and materials may be accessed online and potentially in libraries and council offices.
