## APOLOGIES

Apologies for absence were received on behalf of Councillors Mee, Nixon and Sutton.

The Mayor expressed the Council's sincere sadness at the death of Councillor Tom Blane and Members of the Council paid tribute.

A minute silence was held.

**40 DECLARATIONS OF INTEREST**

The following declarations were received:

1. Councillors Aldridge, O'Toole, Pope and D Westley declared a non pecuniary interest in relation to item13(c) 'Motion – Toucan Crossing Lordsgate Lane' as Members of Lancashire County Council, as did Councillors Coughlan, Cummins and Gagen as an employee of Lancashire County Council.
2. Councillors Delaney, Devine, Owen, West and J Wilkie (Tenant of a Council flat/house) declared disclosable pecuniary interests in relation to item 13(g) 'Motion - Reduction in Carbon Emissions' for the reasons indicated but were entitled to speak and vote by virtue of an exemption (nothing in these reports relates particularly to their respective interests arising from the tenancy or lease).
3. Councillors Aldridge declared a non-pecuniary interest in relation to item 13(g) 'Motion - Reduction in Carbon Emissions' as they have a connected person who is a tenant of rented Council accommodation. Insofar as that interest becomes a pecuniary interest (as it could affect the financial position of their relative and a member of the public with knowledge of the relevant facts would reasonably regard this as so significant that it is likely to prejudice their judgement of the public interest) they declared that interest but considered that they were entitled to speak and vote by virtue of an exemption as nothing in these reports relates particularly to the relevant tenancy or lease.

## 51 **MOTIONS**

The following Motions were considered at the request of the Members indicated:

## 52 **URGENT POST-COVID REVIEW OF BUSINESS RATES - MOTION FROM COUNCILLOR GARETH DOWLING ON BEHALF OF THE LABOUR GROUP**

The following Altered Motion was moved and seconded, with the agreement of the meeting:

"This Council believes that healthy high streets are essential for employment, shopping and leisure but many shops and businesses were struggling even before the Covid pandemic: high street retail employment fell in more than three-quarters of local authorities between 2015 and 2018 according to the Office of National Statistics (1) and more than half of all UK consumers were shopping online before the pandemic (2).

This Council notes retail is among the sectors most affected by the coronavirus pandemic; the almost complete shutdown of non-essential shops between March and June 2020 and subsequent local and national lockdowns and ongoing restrictions has hit businesses hard, and the need for social distancing has changed the way many businesses operate reducing footfall. The pandemic has accelerated what in many cases has been a longer trend of lower footfall and changing shopping habits: as the Portas Review a decade ago acknowledged, the form and function of many high streets needs to adapt if they are to survive.

This Council welcomes the willingness of Government to acknowledge the problems and come forward with initiatives in response to these challenges such as the furlough scheme, the Covid support business loans, and grants and the High Street Taskforce. However, as the Treasury Select Committee stated in 2019 the current system of Business Rates places an unfair burden on "bricks and mortar" businesses compared to online ones, and the Business Rate system needs radical overhaul (3).

This Council resolves to write to the Chancellor to encourage him to complete and Publish the Government's review of business rates to provide business with long term certainty in this area and further support shops and businesses in recovering from the pandemic."

## PLANNING REFORMS - MOTION FROM COUNCILLOR NICOLA PRYCE ROBERTS ON BEHALF OF THE LABOUR GROUP

The following Altered Motion was moved and seconded with the agreement of the meeting:

"This Council believes planning works best when developers and the local community work together to shape local areas. The Government's planning proposals seek to bypass local democracy. That this council writes to the Government asking them to protect local democracy and the right of communities, through a robust local planning system, to object to individual planning applications."

At the request of a Member, voting was recorded as follows:

FOR: Councillors Aldridge, Mrs Baybutt, Mrs Blake, Blundell, Clandon, Cooper, Coughlan, Cummins, Daniels, Davis, Delaney, Dereli, Devine, Dowling, Eccles, D Evans, S Evans, Fennell, Finch, Furey, Gagen, Gordon, Gregson, Hirrell, Johnson, I Jukes, Lockie, Mrs Marshall, Mitchell, Monaghan, Moran, O'Neill, O'Toole, Owen, Owens, Pope, Pryce-Roberts, Rigby, Mrs Stephenson, Thompson, Turpin, Upjohn, West, D Westley, Mrs Westley, Whittington, J Wilkie, K Wilkie, Witter and Yates.

B. That this council writes to the Government asking them to

protect local democracy and the right of communities, through a robust local planning system, to object to individual planning applications.

54 **TOUCAN CROSSING AT LORDSGATE LANE - MOTION FROM COUNCILLOR CYNTHIA DERELI ON BEHALF OF THE LABOUR GROUP**

The following Motion was moved and seconded:

"Recognising that a previous administration at this council was responsible for the promotion of the Yew Tree Farm site as a strategic housing site and that as YTF development is well underway the impacts of increased traffic are already being felt including difficulties of crossing the A59 at Lordsgate Lane and the increase in standing traffic along the A59 increasing air pollution.

That the Council writes Lancashire County Council urging them as the Highway Authority to undertake as a priority, the delivery of the Toucan crossing at Lordsgate Lane on the A59 which, as well as providing the important link for WLBC's planned linear park, (ie a footpath/cycleway from Ormskirk through to Burscough town centre) is an urgently needed road safety measure for local residents."

**RESOLVED:** That the Council writes Lancashire County Council urging them as the Highway Authority to undertake as a priority, the delivery of the Toucan crossing at Lordsgate Lane on the A59 which, as well as providing the important link for WLBC's planned linear park, (ie a footpath/cycleway from Ormskirk through to Burscough town centre) is an urgently needed road safety measure for local residents.

55 **A NATIONAL CARE SUPPORT AND INDEPENDENT LIVING SERVICE (NACSILS) - MOTION FROM COUNCILLOR JULIAN FINCH ON BEHALF OF THE LABOUR GROUP**

The following Motion was moved and seconded:

"West Lancashire Borough Council writes to the Government calling them to establish a new National Care, Support and Independent Living Service (NaCSILS) which is:

1. A National Care Support and Independent Living Service (NaCSILS)  
The Government shall have responsibility for and duty to provide a National Care and Supported Living Service to provide care, independent and supported living, adopting into English Law Articles from the UN Convention on rights of disabled people that establish choice and control, dignity and respect, at the heart of person-centred planning.
2. Fully funded through government investment and progressive taxation, free at the point of need and fully available to everyone living in this country.

3. Publicly provided and publicly accountable:  
The NaCSILS will have overall responsibility for publicly provided residential homes and service providers and, where appropriate, for the supervision of not-for-profit organisations and user-led cooperatives funded through grants allocated by the NaCSILS. A long-term strategy would place an emphasis on deinstitutionalisation and community-based independent and supported living. All provision will deliver to NaCSILS national standards. There will be no place for profiteering and the market in social care will be brought to an end.
4. Mandated nationally, locally delivered:  
The Government will be responsible for developing within the principles of co-production, a nationally mandated set of services that will be democratically run, designed, and delivered locally. Local partnerships would be led by stakeholders who are delivering, monitoring, referring to or receiving supported services or budgets, e.g. organisations representing disabled people (DPOs), older people, and people who use mental health and other services, in partnership with local authorities and the NHS.
5. Identify and address needs of informal carers, family and friends providing personal support:  
The NaCSILS will ensure a comprehensive level of support freeing up family members from personal and/or social support tasks so that the needs of those offering informal support, e.g. family and friends, are acknowledged in ways which value each person's lifestyles, interests, and contributions.
6. National NaCSILS employee strategy fit for purpose:  
The NaCSILS standards for independent and supported living will be underpinned by care and support staff or personal assistants who have appropriate training, qualifications, career structure, pay and conditions to reflect the skills required to provide support services worthy of a decent society.
7. Support the formation of a taskforce on independent and supported living with a meaningful influence, led by those who require independent living support, from all demographic backgrounds and regions. This would also make recommendations to address wider changes in public policy."

The NaCSILS standards for independent and supported living will be underpinned by care and support staff or personal assistants who have appropriate training, qualifications, career structure, pay and conditions to reflect the skills required to provide support services worthy of a decent society.
- G. Support the formation of a taskforce on independent and supported living with a meaningful influence, led by those who require independent living support, from all demographic backgrounds and regions. This would also make recommendations to address wider changes in public policy.

"This council, like all public sector bodies, has a duty under the requirements of the Equality Act 2010 to "consider all individuals when carrying out their day-to-day work – in shaping policy, delivering services and in relation to their own employees."

We have a duty to promote and protect the rights of those in our communities and we have an obligation to "eliminate discrimination" and "advance equality of opportunity."

The recent establishment of a West Lancashire Pride Group makes this a particularly significant time to show our support for our local LGBTQIA+ community, and to stand up to the vile and unwarranted homophobic and discriminatory attacks that unfortunately still occur in our society.

This council resolves to:

- 1) Purchase and fly a Pride flag over the council offices during 'Pride Month' in June of each year.
- 2) Ensure details of how to report hate crimes are promoted on the council website and social media channels.
- 3) Promote and support National Hate Crime Awareness Week, which runs during October each year, via the council website and social media channels, and in its work with relevant partner agencies such as Lancashire Constabulary, Lancashire County Council, and others.
- 4) Allow West Lancashire Pride Group in line with other community groups the free use of council premises for meetings in order to help the group establish itself and promote its work on inclusiveness."

RESOLVED: That this council resolves to:

- A. Purchase and fly a Pride flag over the council offices during 'Pride Month' in June of each year.
- B. Ensure details of how to report hate crimes are promoted on the council website and social media channels.
- C. Promote and support National Hate Crime Awareness Week, which runs during October each year, via the council website and social media channels, and in its work with relevant partner agencies such as Lancashire Constabulary, Lancashire County Council, and others.
- D. Allow West Lancashire Pride Group in line with other community groups the free use of council premises for meetings in order to help the group establish itself and promote its work on inclusiveness.

57 **APPOINTMENT OF YOUTH CHAMPION - MOTION FROM COUNCILLOR IAN MORAN ON BEHALF OF THE LABOUR GROUP**

The following Motion was moved and seconded:

"As local leaders who know their communities well, Councillors are ideally placed to understand the services and support needed and wanted for young people in the Borough.

Councils may not be in a position to directly deliver or commission all youth provision but their ability to influence and support such provision is invaluable.

Consultation with young people and our partners is key and the Council recognises that we need the involvement and participation of children and young people in decisions that affect them or in matters which may have an impact on their lives.

The Council recognises the excellent work being undertaken by the Education Authority Youth Service, particularly their work with the Youth Councils in this area. The Youth Service sees the participation of young people as a key priority and their aim is to focus on the active participation of young people *"... to support the development of a credible, democratic and accountable voice for young people."*

In support of this aim the Council has entered into a formal Partnership with the local Youth Councils and, among other things, this Partnership:

- Recognises the local Youth Councils as a representative voice for young people in the West Lancashire Borough Council area.
- Commits the Council to include young people in Council consultations with regard to local services provision and Community Planning.
- Provides opportunities for the Youth Council to pro-actively engage and participate in activities with the Mayor and Councillors.

In support of this excellent work, Councillor Carl Coughlan be appointed as the Council's Youth Champion to:

- "Assist the Leader and relevant Portfolio Holder to examine how all local provision (not just youth services) supports young people, identifying the outcomes that matter most to young people and working with partners to find ways to deliver these.
- Encourage Younger People to play a fuller role in shaping the policies of the Council and in designing its services.
- Consult with young people and our partners, including the local voluntary and community sector, faith groups, schools and employers, to involve children and young people in decisions that affect them or in matters which may have an impact on their lives.
- Act as spokesperson to promote the positive aspects of the Council's formal Partnership with the local Youth Service.
- Work to promote positive images of Younger People as citizens."

RESOLVED: A. That consultation with young people and our partners is key and

the Council recognises that we need the involvement and participation of children and young people in decisions that affect them or in matters which may have an impact on their lives.

- B. That the Council recognises the excellent work being undertaken by the Education Authority Youth Service, particularly their work with the Youth Councils in this area. The Youth Service sees the participation of young people as a key priority and their aim is to focus on the active participation of young people “... to support the development of a credible, democratic and accountable voice for young people.”
- C. In support of this aim it be noted that the Council has entered into a formal Partnership with the local Youth Councils and, among other things, this Partnership:
- Recognises the local Youth Councils as a representative voice for young people in the West Lancashire Borough Council area.
  - Commits the Council to include young people in Council consultations with regard to local services provision and Community Planning.
  - Provides opportunities for the Youth Council to pro-actively engage and participate in activities with the Mayor and Councillors.
- D. That in support of this excellent work, Councillor Carl Coughlan be appointed as the Council’s Youth Champion to:
- Assist the Leader and relevant Portfolio Holder to examine how all local provision (not just youth services) supports young people, identifying the outcomes that matter most to young people and working with partners to find ways to deliver these.
  - Encourage Younger People to play a fuller role in shaping the policies of the Council and in designing its services.
  - Consult with young people and our partners, including the local voluntary and community sector, faith groups, schools and employers, to involve children and young people in decisions that affect them or in matters which may have an impact on their lives.
  - Act as spokesperson to promote the positive aspects of the Council's formal Partnership with the local Youth Service.
  - Work to promote positive images of Younger People as citizens.

58 **REDUCTION IN CARBON EMISSIONS - MOTION FROM COUNCILLOR ADRIAN OWENS ON BEHALF OF THE OUR WEST LANCS GROUP**

The following Motion was moved and seconded:

"Recognising that the Council:

- a. Has declared a climate emergency;
- b. Has significant housing stock in need of improvements to their energy performance and;
- c. Has estates in Skelmersdale New Town requiring remodelling and regeneration

Council instructs council officers to develop costed options to also include estimates for reduction in carbon emissions for formal consideration at budget setting in February 2022 for:

- a) a retrofitting programme of energy efficiency on council housing stock and;
- b) an identified location for a third Revival project to follow the successes at Firbeck and Beechtrees"

An Amendment to the Motion (circulated prior to the meeting) was moved and seconded, with the addition of:

"That the membership of the Estates Regeneration Cabinet Working Group be extended to include 1 Our West Lancashire member."

The mover and seconder of the Motion accepted the Amendment as an Altered Motion, with the agreement of the meeting.

A vote was taken on the Altered Motion, which was CARRIED.

- RESOLVED: A. Recognising that the Council:
- Has declared a climate emergency;
  - Has significant housing stock in need of improvements to their energy performance and;
  - Has estates in Skelmersdale New Town requiring remodelling and regeneration
- this Council notes that:
- a) significant work has been done to our council homes such as
    - Loft and cavity wall insulation programmes
    - Annual A-rated gas boiler replacement programme
    - Window and external door replacement programmes – 100% stock has double glazing
    - External wall insulation projects-over £2.5m in the last 10 years
  - b) there has also been investment in various renewable energy installations to benefit our tenants
  - c) there has also been investment £1/2m in ground source heat pumps and nearly £2m in solar panels to benefit over

500 homes and that the extensive work already completed has put us in a strong position to meet our carbon targets. However, we recognise more needs to be done. The Sector is stating that the costs could be in the region of around £20-£30k per home to retrofit which would mean the Council would need around £120-£180million to fund such a scheme. We are working towards collating a true picture of our energy data across the stock, which will be required to help us to make an informed decision on how to meet our carbon neutral agenda. Once the Survey results are obtained the matter will be brought back before Members to enable an informed decision on future investments.

- B. That the Council also recognises the work undertaken on the mini estate revival projects, such as in those in Tanhouse, and looks forward to this being rolled out further. Officers are still planning the next major estate revival and plan on bringing this forward next year, but this would still leave the bulk of our council estates in need of 'revival', with previous estimates of around £600-£800 million, we need government support.
- C. That the Council:
  - a) instructs council officers to seek further government funding to support a retrofitting programme of energy efficiency on council housing stock, using the Local Government Association, MPs and any other organisations that can help.
  - b) continues to undertake option appraisals for a third Revival project and the Estate Regeneration Cabinet Working Group be convened before the year end to consider this matter.
- D. That the membership of the Estate Regeneration Cabinet Working Group be extended to include an Our West Lancashire Member.

.....  
**THE MAYOR**
