10 COUNCIL PERFORMANCE DELIVERY PLAN - Q4 2021/22

Consideration was given to the report of the Corporate Director of Housing, Transformation & Resources as contained on pages 13 to 42 which was to present the performance monitoring data for the quarter ended 31 March 2022.

The Chairman advised the Committee Members of an email which was also sent to all Members prior to the meeting following receipt of the following question from a Member; NI192 - Q4 is understandably low and reason is given, but no reason is given as to why Q4 is lower in 21/22 than it was in 20/21. What is the reason for this? Do we have data going back for Q4 in 19/20, 18/19, etc? Think we need to put some focus on this.

The Performance Improvement Lead Officer outlined the report, referring to Appendix A, detailing the Corporate Performance Delivery Plan. She also provided an overview of Appendices B, outlining where action was required for improvement and Appendices C, progress on previous action plans.

Comments and Questions were raised as follows:

- 0.99% lost on vacant possessions in monetary terms.
- How this compares to other Councils.
- Variety of reasons which effect these figures.

RESOLVED: That the Council's performance against the Council Plan for the quarter ended 31 March 2022 be noted and any agreed comments be forwarded to the relevant Portfolio Holder and Corporate Director of Housing, Transformation & Resources for consideration.
