

43 **22/23 TM MID-YEAR PRUDENTIAL INDICATORS**

The Leader introduced the report of the Head of Finance, Procurement & Commercial Services, which detailed the Treasury Management operations for the first half of 2022/23 and reported on the Prudential Indicators, where available.

The Minutes of the Budget/Council Plan and the Executive Overview & Scrutiny Committees had been circulated prior to the meeting.

In reaching the decision below, the Cabinet considered the report before it and the recommendations contained therein.

- RESOLVED: A. That the Treasury Management activity and Prudential Indicator performance for the first quarter of 2022/23 be noted.
- B. That the changes to the Prudential Indicators highlighted in section 7 for approval by Council in December 2022, be noted and endorsed.
