I appreciate you and I have so many things to say this footage you sent me this lad is over 19 years old and the reason he lighting his cigarette inside is because most of the time our customers taking the lighter and not giving us back and we don't like to argue with people over the lighter and I Caught many customers with fake money and police don't do nothing about it and we got robbed so many times and police don't do nothing about it and we have band so many people because they was buying cigarettes for under age and we ask ID to everyone and Ormskirk is small town I recognise all my customers because they are all regular customers I asked ID couple of times so I know them very well now. I know where they live exactly what area on the road because it's been over a year that I'm in Ormskirk I'm running Ormskirk superstore Why is he not talking about so many people being nasty and horrible and racist to us we never report to the police We never Harass or never bothered police Since we are in Ormskirk, we never fight. We never find some trouble with anyone. It's because it doesn't mean every single person and I'm scared as a nice person is because we are being so nice to them even when when they are being horrible. Dear Mr. Salehi,

I am writing to advise you that the Licensing Hearing on the 4th January 2023 will no longer be taking place to ensure that an appropriate interpreter can be arranged. In addition, the Licensing Officers are currently off work due to ill health and a period of time will be required to consider the new S182 Guidance which was published this week.

As such, West Lancashire Borough Council intend to exercise the powers in Regulation 11 of The Licensing Act 2003 (Hearings) Regulations 2005 to extend the time limit within which a hearing must be held forthwith as it is considered in the public interest to do so.

We hereby give you Notice forthwith that the Review Hearing will now take place at **10.30 a.m. on 30th January 2023** at West Lancashire Borough Council, 52 Derby Street, Ormskirk L39 2DF.

I can also confirm that we have received various emails from you containing further information you wish to be considered as part of the Hearing and this information will now be reviewed by our legal team. You may wish to seek some independent legal advice in relation to the Hearing and your evidence submission.

Further correspondence will follow in due course, but if you have any further queries in the meantime, please contact me. The Council Offices close on 24th December at 12:00 and reopen on 3rd January, so we will not be able to take enquiries during this time.
