SUBJECT: REPORT ON THE NEIGHBOURHOOD COMMUNITY INFRASTRUCTURE LEVY (NCIL) PORTION TO PARISH/TOWN COUNCILS 1ST APRIL 2023 TO 30TH SEPTEMBER 2023

Wards affected: Borough wide

1.0 PURPOSE OF REPORT

- 1.1 This report seeks to appraise Members of the allocation of the Neighbourhood Community Infrastructure Levy (NCIL) Portion of funding to Parish/Town Councils from revenue collected by the Council between 1st April 2023 to 30th September 2023, as a result of some new developments within the borough.
- 1.2 This is the first of similar future reports to be provided to the Planning Committee for its information on a biannual basis.

2.0 RECCOMENDATION

- 2.1 Members are requested to note the contents of this report.
-

3.0 BACKGROUND

- 3.1 The Council has been charging a Community Infrastructure Levy (CIL) on certain new developments in its area since 1st September 2014. A significant portion (70 or 80%, The Strategic Portion) of the revenue that is collected is retained by the Borough Council to be used to fund the provision, improvement, replacement, operation or maintenance of infrastructure to support new development in West Lancashire.
- 3.2 The Community Infrastructure Levy Regulations 2010 (as amended) require that 15 or 25% of the revenue collected is handed over to the Parish or Town Council in which the development occurred (the higher percentage is where the

Parish or Town Council has opted to make a Neighbourhood Plan, such as Burscough Town Council). This is known as the Neighbourhood Community Infrastructure Levy (NCIL) Portion.

- 3.3 For Parish Councils that do not have a Neighbourhood Plan, the 15% local portion is capped at £100/dwelling (indexed for inflation) within each parish. This is calculated using council tax information and is adjusted each financial year. Any excess parish money accrued above the capped amount is retained by the Borough Council and transferred to the Strategic Community Infrastructure Levy fund for use on the delivery of strategic infrastructure projects.
- 3.4 The local portion makes sure that infrastructure improvements can be made directly in the areas where the development takes place. Projects may include new equipment for a local play area or new benches in a local park.
- 3.5 In areas where there is no Parish Council, such as Skelmersdale and Ormskirk, that NCIL portion is retained by the Borough Council to be spent on projects in the locality.
- 3.6 The allocation of the NCIL funding is made on a biannual basis in April and October each financial year and is calculated as a portion of the total of the CIL revenue collected during the previous two financial quarters.
- 3.7 The Parish Councils must spend their neighbourhood fund on infrastructure in their local area in consultation with their local community. This portion can be spent on a wider range of things than the rest of the levy, provided it meets the requirement to 'support the development of the area'.
- 3.8 Parish Councils must spend their levy portion within five years of receipt. If the monies are not spent, or are not spent on appropriate infrastructure schemes, the Borough Council can require the Parish Council to repay some, or all, of those funds back.
- 3.9 Parish Councils must administer their neighbourhood portion and publish annual reports by 30th December each year on their website, stating how much they have received and spent.

4.0 PAYMENTS TO PARISH COUNCILS

- 4.1 A total of nine Parish/Town Councils received their NCIL portion in October 2023. One portion has been retained by the Borough Council overseeing Ormskirk town.
- 4.2 The full amount allocated to Parish/Town Councils totalled **£263,848.47**.
- 4.3 The following table sets out the breakdown of all payments made to Parish Councils in October 2023, calculated as a portion of all CIL revenue received by the Council between 1st April 2023 and 30th September 2023.

4.4 The corresponding planning application reference number, address and description of development from which the portion has been derived is also provided.

Parish/Town Council	Planning Ref	Location	Development	Parish Portion
Burscough Town Council	2019/1182/ARM (Phase 3)	Former Yew Tree Farm, Liverpool Road South, Burscough	Phase 3- erection of 267 dwellings	£26,156.37
