

29 a **Housing Strategy 2024-2029**

The Working Group considered a report from the Head of Housing Services, as contained on pages 9-84 of the Book of Reports, seeking Cabinet approval of the Housing Strategy 2024-2029 and requesting that any comments from the committee be passed to Cabinet for their consideration along with those of the Executive Overview and Scrutiny Committee.

The Chairman invited the Housing Strategy & Development Programme Manager to present the report and during his presentation, Mr Mitchell advised that the consultation period had been reduced to 5 weeks due to the pre-election "purdah" period. The Chairman thanked him for the detailed work he had done on the Strategy.

Agreed: That the Strategy be noted.
