
PAY POLICY STATEMENT 2024/25 (Revised April 2024)

1. Introduction and Purpose

Under section 112 of the Local Government Act 1972, the Council has the “power to appoint officers on such reasonable terms and conditions as the authority thinks fit”. This Pay Policy Statement (the ‘statement’) sets out the Council’s approach to pay policy in accordance with the requirements of Section 38 of the Localism Act 2011.

The purpose of the statement is to provide transparency with regard to the Council’s approach to setting the pay of its employees by identifying.

- the methods by which salaries of all employees are determined.
- the details of the remuneration of its most senior staff i.e., ‘chief officers’, as defined by the relevant legislation.
- the relationship between the remuneration of its Chief Officers and other employees

This pay policy statement is effective from 1 April 2024 and will be subject to review on an annual basis, or earlier if required, the policy for the next financial year being approved by 31st March each year.

The current pay line is detailed at Appendix A.

2. Other legislation relevant to pay and remuneration.

In determining the pay and remuneration of all its employees, the Council will comply with all relevant employment legislation. This includes legislation such as, but not exclusively, the Equality Act 2010, Part Time Employment (Prevention of Less Favorable Treatment) Regulations 2000 and where relevant, the Transfer of Undertakings (Protection of Earnings) Regulations. The Council ensures there is no pay discrimination within its pay structures and that all pay differentials can be objectively justified through the use of job evaluation mechanisms, which directly establish the relative levels of posts in grades according to the requirements, demands and responsibilities of the role.

3. Pay Structure

The Council uses the nationally negotiated pay spine(s) (i.e., a defined list of salary points) as the basis for its local pay structure, which determines the salaries of the large majority of its workforce together with the use of locally determined rates where these do not apply.

The Council’s pay scales range from Scale 1 to CO1. Scales 1 to PO4 are in line with the National Pay Spine and senior managers on Grades SM1 to C O 1 are on a locally determined pay spine. Full details are shown in the Appendices A. Variable additional payments may also be made as appropriate in line with the terms and conditions of employment, which completes the total remuneration package.

The Council pays an additional supplement to those Council employees not currently receiving the Living Wage Foundation ‘living wage’ (currently an hourly rate of £12.00). This equates to the current spinal column point 2 on the Council’s pay

scale and consequently an additional supplement is required on the hourly rates paid on this spinal column point.

The Council adheres to the national pay bargaining arrangements in respect of the establishment and revision of the national pay spine, for example through any agreed annual pay increases negotiated with joint trade unions. All other pay related allowances are the subject of either nationally or locally negotiated rates, having been determined from time to time in accordance with collective bargaining machinery.

At the time of writing, it should be noted that the NJC pay scale is due to have an annual pay review. The pay award is due 1 April 2024.

Once the outcome is known and the pay award is agreed, the spinal column points noted above will be amended and any amendments will be made to the Pay Policy Statement after this date.

Consequently, whilst there is at present, a differential of up to 9 pence at the lowest point on the scale, this actual difference between the scp 2 and the Foundation Living Wage hourly rate of £12.00, will change once the pay award is applied to the pay spine.

The differential amounts are noted below:

Spinal Column Point 2 - £11.91 Differential = £0.09 per hour

In determining its grading structure and setting remuneration levels for any posts which fall outside the scope of the national pay spine, the Council takes account of the need to ensure value for money in respect of the use of public expenditure, balanced against the need to recruit and retain employees who can meet the requirements of providing high quality services to the community, delivered effectively and efficiently and at times at which those services are required.

New appointments will normally be made at the minimum of the relevant pay scale for the grade, although this can be varied where necessary to secure the best candidate. Where the appointment salary is above the minimum point of the pay scale and is not affected by other council policies, for example promotion, redeployment, or flexible retirement, this is approved in accordance with the Scheme of Delegation, contained in the Council's constitution, available on the Council's website.

From time to time, it may be necessary to take account of the external pay levels in the labour market to attract and retain employees with experience, skills, and capacity. This may lead to the payment of a market supplement or retention payment. Where necessary, the Council will ensure the requirement for such is objectively justified by reference to clear and transparent evidence of relevant market comparators, using data sources available from within the local government sector and outside, as appropriate.

Any temporary supplement to the salary scale for the grade for this purpose is approved in accordance with the locally agreed Market Premia and Retention Payments detailed

in the local conditions of service. A decision in relation to any payment of this nature is delegated to the Chief Executive except for officers on JNC Chief Officer terms and conditions which must be determined by the Council.

No retention payments or honoraria payments have currently been applied to any D2, D1, CO2 or CO1 posts. These ceased on 31 March 2024, in recognition of the Senior Management Restructure which took effect from 1 April 2024,

However, these non-consolidated payments were in place prior to this restructure and so are reflected in the median and ratio salaries reflected in the calculations in section 15 below, as overall remuneration levels.

The Council also employs a number of Apprenticeships throughout the various services. These are paid in line with National Minimum Wage rates for age. These rates do not form part of the overall grading structure for the Council and are presently as detailed below (6 April 2024 figures):

Hourly rate	Apprenticeship Age Rate
£6.40	Age under 18 years
£8.60	Age 18 – 20
£11.44	Age over 21 years

These national apprenticeship rates are not included in the pay ratios as they are not part of the Council's pay scale structure.

4. Definitions

The Localism Act refers to the position of Chief Officer, which is defined as:

- Head of Paid Service designated under Section 4(1) of the Local Government & Housing Act (LGHA) 1989
- Monitoring Officer designated under section 5(1) of the LGHA 1989
- Statutory Chief Officer mentioned in section 2(6) of the LGHA 1989
- Non statutory Chief Officers mentioned in section 2(7) of the LGHA 1989
- A Deputy Chief Officer mentioned in Section 2(8) of the LGHA 1989

Within the Council permanent management structure this includes the

following posts:

**Chief Executive (Head of Paid Services),
Deputy Chief Executive,
Director of Planning, Economy, Wellbeing and Leisure,
Assistant Director of Planning & Regulatory Services,
Director of Housing and Environmental Services,
Assistant Director of Environmental Services,
Assistant Director of Housing,
Director of Finance and Resources (Section 151 Officer),**

**Assistant Director of Corporate & Customer Services
Chief Legal & Democratic Services Officer (Monitoring Officer).**

There are a further series of posts which fall within the definition of Chief Officer by virtue of being “Deputy Chief Officers” i.e., via reporting lines, which have not been specifically listed here but are within the salaries range from PO1 to D2.

“Lowest Paid Employees” – see Para 14.

5. Terms and Conditions of Employment

There is one post on JNC Chief Executive terms and conditions of employment which is the Chief Executive, and one post on JNC Chief Officer terms and conditions of employment and that is the Deputy Chief Executive. All other posts within the Council are employed in accordance with National Joint Council (NJC) terms and conditions for Local Government Services.

All three groups of officers are subject to any local variations adopted by the Council and detailed in its policy and procedures.

Where the Council is unable to recruit chief officers, or there is a need for interim support to provide cover for a substantive chief officer post, the Council will, where necessary, consider engaging individuals under a contract for service. These will be sourced through a relevant procurement process ensuring the Council is able to demonstrate the maximum value for money benefits from competition in securing the relevant service. In assessing such it should be noted that in respect of such engagements the Council is not required to make either pension or national insurance contributions for such individuals.

The Council does not currently have any chief officers engaged under such arrangements.

6. Recruitment

The Council’s policy and procedures with regard to the recruitment of the Chief Executive and Chief Officers on JNC Terms and Conditions is set out within the Officer Employment Procedure Rules as set out in Part 13.2 of the Council’s Constitution.

When recruiting to all posts the Council will take full and proper account of all provisions of relevant employment law and its own Equality in Employment, Recruitment and Selection and Redundancy and Redeployment Policies as approved by Council.

The relevant policies are:

Recruitment

- Recruitment Advertising protocols
- Recruitment and Selection (see Chief Officer Appointment details by Committee)

referred to in paragraph 16 below)

- Secondment Policy
- Staff Recruitment Incentive Scheme - guidance

Redundancy and redeployment

Organisational Change Scheme

The determination of the remuneration to be offered to any newly appointed Chief Officer will be in accordance with the pay structure and relevant policies in place at the time of recruitment.

The Council operates a mandatory 2-year gap from when a former employee exits the Council on the ground of voluntary redundancy to when they may be re-engaged in the employment of the Council or engaged as an agency placement or on a contract for service. This is applied across all grades for both NJC and JNC staff and do not take account of whether or not a pension is payable.

There is an exemption to this for emergency situations when former employees may need to be brought back into the employment of the Council on short, fixed term contracts in view of their specialist skills. However, this would be subject to the direct approval of the Chief Executive, in consultation with the Lead member for Human Resources.

7. Additions to Salary of Chief Officers

The Council does not apply any bonuses or performance related pay to its Chief Officers. Any changes in duties would be covered in the Harmonisation and Single Status Document.

8. Chief Executive - Remuneration

The current permanent Senior Management structure was approved by the Full Council in February 2024 and amended through the scheme of delegation by the Chief Executive in April 2024 and July 2024. The post of Chief Executive is the designated the Head of the Paid Service and Returning Officer.

The post is paid at grade CO1 on the attached Appendix A. This is a 3-increment salary scale. Progression through the grade occurs through the payment of an additional annual increment on 1 April each year, up to the maximum spinal column point in each grade range.

Returning Officer fees are based upon a fee calculated periodically by the Cabinet Office, with the fee being based on a sum of money multiplied per every 10,000 of electorate. The Council pays the fees for the local election while the fees for other elections, such as Parliamentary and County Council, are paid for externally.

9. Deputy Chief Executive - Remuneration

The post of Deputy Chief Executive reports to the Chief Executive:

The Grade for this post is at CO2 as indicated above and detailed on the attached Appendix A. There is a 3-increment pay scale for this grade. Progression through the grade occurs through the payment of an additional annual increment on 1 April each year, up to the maximum spinal column point in each grade range.

10. Other Heads of Service – Remuneration

There are eight further posts in the senior Management Team. Three are designated as Director and report to the Deputy Chief Executive, these are:

Director of Housing and Environmental Services
Director of Planning Economy Wellbeing and Leisure
Director of Finance and Resources (Section 151)

The Grade for these posts is D1, which is a 3-increment grade. Progression through the grade occurs through the payment of an additional annual increment on 1 April each year, up to the maximum spinal column point in each grade range.

There are 4 Assistant Directors as noted below. Each report to one of the Directors :

Assistant Director of Environmental Services reports to the Director of Housing and Environmental Services
 Assistant Director of Housing reports to the Director of Housing and Environmental Services
 Assistant Director of Planning and Regulatory Services reports to the Director of Planning, Economy, Wellbeing and Leisure
 Assistant Director Corporate and Customer Services reports to the Director of Finance and Resources,

The Grade for these posts is D2, which is a 3-increment grade. Progression through the grade occurs through the payment of an additional annual increment on 1 April each year, up to the maximum spinal column point in each grade range.

Finally, the Chief Legal and Democratic Services Officer reports directly to the Chief Executive and is the Monitoring Officer.

The Grade for this post is D2, which is a 3-increment grade. Progression through the grade occurs through the payment of an additional annual increment on 1 April each year, up to the maximum spinal column point in each grade range.

11. Other 'Chief Officer' posts as defined within the Localism Act

There are a further series of posts which fall within the definition of Chief Officer by virtue of being "Deputy Chief Officers" i.e., via reporting lines, which have not been specifically listed here but they are in the salary grade range from PO1 to D2.

12. Payments on Termination

The Council's approach to statutory and discretionary payments on termination of employment of chief officers and other groups of staff, prior to reaching normal retirement age, is set out within its Organisational Change Scheme, in accordance with Regulations 5 and 6 of the Local Government (Early Termination of Employment) (Discretionary Compensation) Regulations 2006 and the Local Government Pension Scheme (LGPS) (Transitional Provisions, Savings and Amendment) Regulations 2014.

Any payments falling outside these provisions or the relevant periods of notice within the contract of employment or £100,000 or more shall be subject to a formal decision made by full Council.

With effect from 1 April 2016 regulations included in the Small Business, Enterprise and Employment Act 2015 were planned to be introduced for the recovery of termination payments paid to high earning public sector employees. Under these rules, public sector employees will be required to repay a tapering proportion of a 'qualifying exit payment', if they return to the public sector within a period of 12 months and earn an annual salary of £80,000 or more. Currently these regulations have not been brought in, but when they are the Council will apply them as appropriate.

However, with the presence of the mandatory 2 Year Gap for re-engagement into a

contract for employment or service with the Council for any officer who exits the Council's employment via Voluntary Redundancy, should mean the potential for needing to consider this will be limited.

13. Publication

This statement will be published on the Council's website and intranet. In addition, for Senior Officer Posts where the full-time equivalent salary is at least £50,000, the Council's Annual Statement of Accounts will include a note setting out the total amount of

- salary, fees, or allowances paid to or receivable by the person in the current and previous year.
- any bonuses so paid or receivable by the person in the current and previous year.
- any sums payable by way of expenses allowance that are chargeable to UK income tax.
- any compensation for loss of employment and any other payments connected with termination.
- Any benefits received that do not fall within the above.

The information set out within this pay policy statement compliments the data on pay and reward that the Council is required to publish separately under the Accounts and Audit (England) Regulations 2011 and Local Government Transparency Code 2014. This data includes all Senior Officers on a Salary more than £50,000 p.a.

14. Lowest Paid Employees

The lowest paid persons employed under a contract of employment with the Council are employed on full time 36 hours equivalent salaries in accordance with the minimum spinal column point currently in use within the Council's grading structure. This excludes Apprenticeships, which are paid in line with National minimum wage rates for age and do not form part of the Council's pay scale structure.

The National Joint Council (NJC) pay spine applied by the Council to its grading structure, ranges from Spinal Column Point (Scp) 2, £22,366 and Scp 43 £51,515 p.a. as of 31 December 2023.

Please note that the April 2024 national pay award is still outstanding, so the annual salaries have not been uplifted since April 2023, at the time of writing.

The lowest paid grade applied to any Council post is grade Scale 1 which is paid at Scp 2 on a grade Scp 2 to scp 3, on the NJC pay spine, with annual incremental progression. These spinal column points are currently supplemented by the voluntary living wage supplement, raising the annual salary for scp 2 to £22,526 pa. for a full time (FTE) employee, with effect from 1 December 2023. It should be noted that this uplift is included in ratios or averages in para 15, but only for 1 month as data for these calculations being 31 December 2023.

The relationship between the rate of pay for the lowest paid and Chief Executive and Chief Officers is determined by the processes used for determining pay and grading structures as set out earlier in this policy statement.

As part of its overall and ongoing monitoring of alignment with external pay markets, both within and outside the sector, the Council will use available benchmark information to ensure that our pay rates are fair, affordable, and competitive in the marketplace.

15. Ratio of Salary Differences

Ratio calculation need to be based on salary point and actual remuneration. The ratio calculations are based on salaries on 31 December 2023. It should be noted that this is before the most recent senior management restructure. The ratios reported will be amended in the 2025 version of this Pay Policy Statement, which will illustrate a full year remuneration at the revised local grade structure.

The full pay spine for 2023 is detailed at Appendix A , and amended to reflect the senior management restructure of April 2024.and is pending the 1 April 2024/25 national pay awards.

The lowest paid employee of the Council is someone employed on Scp 2 on the NJC pay spine within Scale 1. The average annual salary for a full-time equivalent employee this grade, not including the voluntary living wage supplement would be £22,366.

The Chief Executive and Chief Officer range of salaries (as defined in this policy) spans a minimum of local Scp 53 to 71. This provides an annual mean average Chief Officer salary of £73,289. Consequently, the Chief Officer to lowest paid salary mean average is a ratio of 1:3.28 (or 1:3.59 when expressed as a ratio of total remuneration inc honoraria). This calculation is based on the salaries for Chief Executive and Deputy Chief Executive only (note comments on timings of calculations above).

Using the wider definition of Chief Officer including those that could be considered Deputy Chief Officers by virtue of reporting lines would provide a grade range from Scp 29 to 71. This provides a mean average Chief Officer salary of creating a ratio of 1:2.27(or 1:2.41 when expressed as a ratio of total remuneration).

The highest salary paid in the Council is £103,997 p.a. This compares to a median average salary of £25,979 p.a. which is a ratio of 1:4 (or 1:4.2 when expressed as a ratio of total remuneration). This is well within the recommendations put forward in the Hutton report, Fair Pay in the Public Sector, September 2010, which suggested no more than a ratio of 1:20.

16. Accountability and Decision Making

In accordance with the Constitution of the Council, the following Committees are responsible for decision making in relation to the recruitment, pay, terms and conditions and severance arrangements in relation to employees of the Council:

Recruitment and Dismissal of Head of Paid Service, Chief Officers, and Deputy Chief Officers - Where the Council proposes to appoint and it is not proposed that the appointment be made exclusively from among their existing officers, it will do so as outlined below:

Appointment of Head of Paid Service - The full Council must approve the appointment of the Head of Paid Service before an offer of appointment is made to

him/her following the recommendation of such an appointment by the Chief Officers Committee. That Committee will include at least one member of the Policy & Resources Committee.

Appointment of Chief Officers employed on JNC Terms and Conditions - The Chief Officers Committee will appoint these officers. That Committee will include at least one member of the Policy & Resources Committee.

Other appointments - Appointment of officers below this level is the responsibility of the Head of Paid Service or his/her nominee and may not be made by Councillors.

Disciplinary Action - Head of Paid Service - The full Council must approve the dismissal of the Head of the Paid Service before notice of dismissal is given to him/her, following the recommendation of such dismissal by the Investigating Committee. That Committee will include at least one member of the Policy & Resources Committee.

Disciplinary Action - Dismissal of Chief Officers employed on JNC Terms and Conditions - The Investigating Committee will be responsible for the dismissal of Chief Officers employed on JNC Terms and Conditions and the Section 151 Officer and Monitoring Officer. That Committee will include at least one member of the Policy & Resources Committee.

Disciplinary Action - Further Provisions – Suspension - The Head of Paid Service, Monitoring Officer, and Chief Finance Officer (Section 151 Officer) may be suspended whilst an investigation takes place into alleged misconduct. That suspension will be on full pay and last no longer than two months.

Other Dismissals and Disciplinary Action – The dismissal of and taking disciplinary action against Officers on NJC Terms and Conditions (other than above) must be discharged on behalf of the Council by the Head of the Paid Service or his/her nominee.

Councillors will not be involved in the dismissal of any officer below the Deputy Chief Executive level.

17. Engagement of Former Chief Officers in receipt of Pensions

The Council does not have a policy which prevents former Council employees from applying for and being successfully appointed to any Council job including other Chief Officer jobs, because they are in receipt of a Public Sector or Local Government pension. Normal Recruitment and Selection processes would apply in line with the Council's Equality in Employment Policy.

However, the Council does have a mandatory 2 Year gap which must be maintained for any officer, not just Chief Officer, who exits the Council via voluntary redundancy, before they can be re-engaged. This prevents someone being re-engaged by the Council to a temporary fixed term or permanent employment, used as an Agency placement or engaged on a contract for service, for a period of 2 years from the date that they left on voluntary redundancy. This is applicable whether the former employee is in receipt of a pension. There is an exemption for specialist skills required in emergency situations, by direct approval of the Chief Executive, in consultation with the Lead member for Human Resources, as noted above.

However, in accordance with the Small Business, Enterprise and Employment Act 2015, regulations relating to the repayment of exit payments, any public sector employees who received an annual salary of £80,000 or above, will be required to repay a tapering proportion of a 'qualifying exit payment', if they return to the public sector and are offered a post within the Council at this Salary level or above within a period of 12 months from the receipt of the original exit payment (subject to this being approved for implementation by the Government). Once this is legislation, this will be applied by the Council.

18. Holiday Pay Supplement

The Council pays an additional percentage on all overtime payments, to compensate staff for any additional holiday pay they may be entitled to. This will be an amount equivalent to 7.69% (20/260) of the overtime payment. This percentage considers the number of statutory holidays (20) and typically no more than 260 working days in the year. This additional percentage for the following claimable pay elements:

- Additional Hours
- Overtime
- Non contractual overtime
- Shift Allowances and Shift Pay
- Call Out and Standby
- Extra Duty and Additional Hours
- Honoraria

19. Policy Review

The Pay Policy Statement will be reviewed annually or earlier if required and agreed by Council before 31 March in each year. Administrative updates, such as pay awards, will be approved via the Assistant Director Corporate and Customer Services in consultation with the Lead member for Human Resources.

20. Employer Pension Contribution

The Council will contribute to the Local Government Pension Scheme in 2024/25 for all its employees who are members based on a rate of 19% of their pensionable pay. Additional contributions will also be made to address the current overall deficit on the Pension Fund. The rate of contribution is set by Actuaries advising the Lancashire Pension Fund and is reviewed on a triennial basis.

21. Employee Pension Contribution

Employees who are members of the Local Government Pension Scheme pay in April 2024 the following annual contributions:

Annual Salary	% Contribution Rate
Up to £17,600	5.5%
£17,601 to £27,600	5.8%

Constitution 13:1: Pay Policy Statement

£27,601 to £44,900	6.5%
£44,901 to £56,800	6.8%
£56,801 to £79,700	8.5%
£79,701 to £112,900	9.9%
£112,901 to £133,100	10.5%
£133,101 to £199,700	11.4%
£199,701 or more	12.5%

Notes

- (1) The salary ratio details shown in this statement are based on the actual earnings in effect on 31 December 2023.
- (2) Total remuneration has been calculated including salary, car expense allowance, over time, extra duties allowance, shift allowance, living wage supplement, standby duty, telephone allowance, election fees and employer's pension contributions. In view of the implementation of the restructure part way through the year, remuneration ratios do not contain full year calculations.
