*Changed for May 2024 due to the closure of the previous venue – Jubilee Hall

This Ward is Parished and therefore the Polling Districts cannot be changed through this review.

During the initial consultation, 6 responses were received for this Ward, 5 of which were broadly in favour of retaining the existing provision. 1 commented that they had to pass a polling place to get to their assigned polling place. This is due to the Parish boundaries within the area and where the polling places are situated within each area.

During the consultation on final proposals, 3 responses were received, all of which were broadly in favour of retaining the existing provision.

The individual submissions to the consultations are available at Appendix 2.
