Dear Sir/Madam,

I am writing regarding the application for an alcohol license at a new business to be opened as a cafe at 5, The Common, Parbold.

I strongly object to this request for a license as I think it unnecessary, particularly considering we have 3 licensed premises in the village of Parbold already, these being The Railway, The Windmill and the Stocks Tavern, and yet another situated just off the main street through the village on the main A5209 road, namely The Wayfarer's.

The hours this new business intends to be able to sell alcohol for - from 7am to 9.00pm on Monday to Saturday and 10.00am to 9.00pm on Sunday - would encroach on the existing businesses and again if this is intended to be a cafe seems unreasonable, as it would encourage people to be coming and going from very early in the morning until quite late at night, where there is very little provision for parking and is extremely close to Beacon Crossing sheltered accommodation, where there are some very elderly residents, who would not want increased disturbance at those hours of the morning or night, which this business may well cause.

Yours faithfully,
