M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

TO PROMOTE ALL FOUR LICENSING OBJECTIVES WE WILL KEEP:
Strong management controls and effective training of all staff so that they are aware of the premises license and the requirements to meet the four licensing objectives with particular attention to: a/ no selling of alcohol to underage people b/ no drunk and disorderly behavior on the premises area c/ vigilance in preventing the use and sale of illegal drugs at the retail area d/ no violent and anti-social behaviour e/ no any harm to children - Operating Schedule providing the hours of operation and licensable activities during those hours. - Designated premises supervisor confirmed it is obligated to be in day-to-day control of the premises, to provide good training for staff on the Licensing Act (Training Record), to make or authorize each sale - Clear "Challenge 25" information to prevent the supply of alcohol to under-age drinkers. – High Definition CCTV system installed with recording option available - Roller metal exterior window shutter will be fixed to ensure that shop front is safe and secure at all times. As a licensed premises we know that it is necessary to carry out our functions or operate their businesses with a purpose of promoting these objectives. We promise to support these objectives through their operating schedules and other measures (including staff training and qualifications, policies, and strategic partnerships with other agencies).

b) The prevention of crime and disorder

CCTV System installed to monitor entrances, exits, and other parts of the premises in order to address the prevention of crime objective. A clear and legible notice outside the premises indicating the normal hours under the terms of the premises licence during which licensable activities are permitted. Clear and conspicuous notices warning of potential criminal activity, such as theft, that may target customers will be displayed. Not selling of alcohol to drunk or intoxicated customers. Prevention and vigilance in illegal drug use at the premises area. Staff will be well trained in asking customers to use premises in an orderly and respectful manner and prevent drinking alcohol where they should not. Professional well trained Security staff will be employed to monitor customers internally and externally when needed.

c) Public safety

Internal and external lighting fixed to promote the public safety objective. Well trained staff adherence to environmental health requirements. Training and implementation of underage ID checks. A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made; those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises licence that requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation. All parts of the premises and all fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, air condition, sanitary accommodation and

other installations, will be maintained at all times in good order and in a safe condition.

d) The prevention of public nuisance

Noise reduction measures to address the public nuisance objective. Prominent, clear and legible notices will be displayed at the exit requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly. Staff will be trained to reinforce this and ask customers to leave quietly. Deliveries of goods necessary for the operation of the business will be carried out at such a time or in such a manner as to prevent nuisance and disturbance to nearby residents. The Licensee will ensure that staff who arrive early morning or depart late at night (ex. for unpacking, pricing newly delivered goods) when the business has ceased trading conduct themselves in such a manner to avoid causing disturbance to nearby residents. Customers will be asked not to stand around loudly talking in the street outside the premises. Customers will not be admitted to premises above opening hours. The movement of bins and rubbish outside the premises will be kept to a minimum after 11.00pm. This will help to reduce the levels of noise produced by the premises. Any lighting on or outside the premises will be positioned and screened in such a way so as to not cause a disturbance to nearby residents. Adequate waste receptacles for use by customers will be provided in the local vicinity.

We will also attempt to reduce noise from extraction and ventilation such as air conditioning units. This will be positioned at the rear of the premises away from any other shops or residents. They will also be turned off outside of opening hours.

We will exceed all building regulations with regards to containing noise for example extra glazing and sound protection in ceiling and walls.

Odors and smells, although any smells will be pleasant the ventilation will be to the rear of the property, away from any shops and residents. New ventilations systems with improved filters and reduced decibel levels will mean they are unnoticeable.

e) The protection of children from harm

"Challenge 25" sign which is a retailing strategy that encourages anyone who is over 18 but looks under 25 to carry acceptable ID (a card bearing the PASS hologram, a photographic driving license or a passport) if they wish to buy alcohol. Well trained staff about requirement for persons' identification, age establishment etc. All the details provided in Training Record Book available the retail unit. Log Book will be kept upon the premises all the time. Nothing belong existing Health & Safety requirements
