Subject APPLICATION FOR A PREMISES LICENCE.  
23 Church Street, Ormskirk, L39 3AG

Date 17<sup>th</sup> November 2017

Thank you for consulting me with regard to this premises licence application.

It is worth noting that the applicant has applied for hours of opening until 02:00 hours and current planning permission (2017/0886/PNC) only allows use until 00:00 hours due to the residential accommodation directly above. The applicant has also indicated an outside seating area to the front of the premises and this may require separate planning permission. As such I recommend that the applicant contact our planning department for further advice on these matters.

I would object to the granting of this license unless the following conditions are attached:

- 1) All doors will be fitted with a self-closing device. All doors and windows shall be kept closed, other than for access and egress, at all times.
- 2) Notices shall be displayed at public exits, in a clear and prominent position, requesting that patrons respect the needs of local residents and leave the premises and the area quietly.
- 3) Door supervisors and other members of staff to request customers to leave quietly and have respect for their residential neighbours.
- 4) Noise from music and associated sources (including DJs and amplified voices) shall not be audible at the boundary of any neighbouring residential premises after 18:00 hours any day.
- 5) No Regulated Entertainment is to take place in the outside seating area of the premises at any time.
- 6) Any outside area, which is used for the consumption of alcohol, shall cease to be so used at 23.00 hours on any day.

- 7) The volume of all amplified sound used in connection with all entertainment provided shall at all times be under the control of the licensee or management and the controlling mechanism so installed shall be maintained and operated from a part of the premises inaccessible to the public.
- 8) No deliveries will take place between the hours of 20:00 and 08:00 hours.
- 9) The placing of refuse, such as bottles, into receptacles outside the premises shall take place between 08.00 and 21.00 only, so as to prevent disturbance to nearby premises.
- 10) The Designated Premises Supervisor shall ensure that staff arriving early morning or departing late at night when the business has ceased trading conduct themselves in such a manner to avoid disturbance to nearby residents.
