Subject VARIATION OF A PREMISES LICENCE.
E-Rooms, 14 – 16 Westgate, Skelmersdale

Date 13 February 2018

Thank you for consulting me with regard to this application.

I have some concerns about the application as it stands. The application is to extend the opening hours to 5.00am every Friday and Saturday (with entertainment and alcohol service until 4.00am). This would give the premises the latest hours of any licence in West Lancashire and yet these premises are fairly close to residential areas.

As such I consider that the operation of these premises as applied for presents a risk to the prevention of the public nuisance objective. However the premises has operated until 4.00am on occasions under TENs without nuisance complaint. I therefore object to the granting of this licence unless the following conditions are attached:

1. The licensed premises shall only open between the hours of 0130 and 0400 on 20 days per calendar year and none of those days shall be consecutive.
2. The supply of alcohol shall only take place between the hours of 01.00 and 03.00 on 20 days per calendar year and none of those days shall be consecutive.
3. The provision of live music shall only take place between the hours of 00.30 and 03.00 on 20 days per calendar year and none of those days shall be consecutive.
4. The recorded music shall only take place between the hours of 01.30 and 03.00 on 20 days per calendar year and none of those days shall be consecutive.

Please note that these conditions should be attached in addition to those already specified under the public nuisance objective by the applicant.
