Members discussed the application and considered the correspondence from residents in Sandersons Lane. It was agreed that the council would object to the application on the following grounds.

- The size of the application which is now twice the size of the original planning application.
- The materials being used when original application was for horses only.
- Noise from barking dogs already causes problems for neighbouring properties and people walking past the dwelling. There will be significant increase in barking if boarding kennels are allowed. The applicants have not adhered to any conditions in original application.
- Increase in traffic on what is a narrow country lane without passing places giving problems for vehicles, pedestrians and horse riders.
- The properties in Sandersons Lane are not on mains sewerage. Water used to wash and groom dogs and cleanse area will eventually drain into the stream.
- There are no provisions made for the removal from the premises of dog coat cuttings, or faeces.
- The council is extremely concerned that by agreeing to a retrospective application such as this will set a precedent for the future and strongly objects to the proposal.
